Explanation of Revenues

This program generates \$445,317 in indirect revenues.

Revenue for this program comes from State and County gas tax and vehicle registration fees that are collected by the State and distributed based on an intergovernmental agreement (IGA) that specifies the amount to be allocated to Bridge Services. These are dedicated funds and can only be used for the Willamette River bridges. These funds are used to leverage Federal and State dollars to construct projects identified in the TCIP. Other/miscellaneous revenue comes from reimbursements for work performed for other projects and programs.
