Explanation of Revenues

Revenues come from dedicated transportation funds for construction, repair, maintenance and operation of County roads, bridges and bicycle/pedestrian facilities. Capital projects in this program receive allocations from State Motor Vehicle revenues (such as state gas tax, vehicle registration fees, and weight/mile tax), County gas tax, County vehicle registration fees, permits, development charges, State and Federal grants, and intergovernmental agreements.

Significant Program Changes

Last Year this program was: FY 2020: 91018A-20 Transportation Capital

An increase of the County's vehicle registration fee will take effect January 1, 2021. Proceeds from this are dedicated to the Willamette River bridges and will primarily be used for the Earthquake Ready Burnside Bridge project.

Bridge Services will be partnering with County Government Relations Office to provide \$100,000 in support towards contracts with transportation experts specifically, subject matter experts with experience in transportation funding from the Federal and State Government. These experts will provide insight into funding mechanisms, advocacy and statutory requirements specific to transportation.
