Situation Report

Situation Report Number: 07.06.2020	
Incident Name: COVID-19 MultCo Coordination	
OERS Number: 2020-0279	

EOC: Activated	**Incident Commanders**: Kim Toevs, Multnomah County Health Department Alice Busch, Multnomah County Emergency Management Casey Layton, Department of County Management Jessica Guernsey, Multnomah County Health Department

Date: 7/6/2020	**Time:** 10:10 hours	Situation Reports are released on Mondays, Wednesdays, and Fridays at approximately 10:00 am. All posted Situation Reports are archived on the County's website.

To submit updates/actions to this report, email the Multnomah County EOC Situation Unit at eoc.situationunit@multco.us with the subject line: Update for COVID-19 Situation Report.

Need testing?
- Anyone with symptoms of COVID-19 can get tested, for free, at Multnomah County's East County Health Center (600 NE 8th St., Gresham). We focus on reaching Black, Indigenous, and other People of Color communities, people without health insurance, and people without a regular health care provider. Testing hours are: Mondays and Thursdays from 9:30 am to 4:00 pm. Call 503-988-8939 to make an appointment.
- Oregon Health and Sciences University offers mobile, drive-through testing sites in Portland and Hillsboro. Anyone over two months of age with COVID-19 symptoms can get tested. People without symptoms can get tested: if they are having surgery, giving birth, or having another qualifying procedure at OHSU; if they are severely immuno-compromised and are following a de-isolation protocol; if a public health department has required them to get tested; if they identify as a migrant or seasonal agricultural worker; if they are a Person of Color; if they have a disability; or if their first language is not English. Testing locations are:
  - Portland Expo Center, 2060 N Marine Dr., Portland. Mondays-Saturdays, 9:00 am - 4:00 pm
  - Hillsboro Stadium, 4450 NE Century Blvd., Hillsboro. Mondays-Saturdays, 9:00 am - 4:00 pm
- For more information about testing sites, who should get tested, and what to expect from your COVID-19 test, see Multnomah County's COVID-19 Testing page.

Multnomah County Emergency Operations Section Updates

The Multnomah County Emergency Operations Center (EOC) is a temporary network that works within the [Mission, Vision and Values of Multnomah County](#). The EOC develops objectives based on guidance from the Chair and Chief Operating Officer. The EOC provides wrap around services to support County departments that are operating beyond their normal capacity. The EOC provides a framework that incorporates staff from across all County departments, as well as community volunteers and representatives from partner agencies and organizations to direct the full complement of this combined effort toward accomplishing the County's objectives.

Featured Media and Announcements

- On July 2, Multnomah County Health Department and Emergency Management officials briefed the Multnomah County Board of Commissioners about public health trends in Multnomah County. Watch a [video](#) of the briefing on the County's website.

EOC Section: [Public Information](#)

The Public Information Section provides accurate, coordinated, timely and accessible information with the goal of reducing the spread of COVID-19. This information is disseminated to local governments; media; the private sector; and the community through the Multnomah County COVID-19 website, social media, media outlets, call centers, and direct efforts with culturally specific communities. Particular attention is paid to the communities most affected by COVID-19 and people who may not receive information through mainstream means. Content and materials are developed for individuals with disabilities and/or access and functional needs, differing levels of literacy, and with particular care being taken to effectively meet the needs of Black, Indigenous, and People of Color communities. The Public Information Section uses an equity lens to create material which is culturally specific to the needs of the many communities represented within the County.

Multnomah County [Novel Coronavirus COVID-19](#) website

- Added a new translation of the "Face coverings, masks and COVID-19" page. The page was updated into [Karen](#).

Social media highlights

- [Multnomah County Facebook](#)
  - [Have a Safer Summer](#): Staying home is still the safest option. Any travel from home, where you are mixing with people from a different area, can increase risk of getting or spreading COVID-19.

  - Multnomah County Health Department initiated a Nextdoor campaign to spread the word about the County's COVID-19 Test Site at East County Health Center.

Other Highlights

● The Multnomah County Health Department partnered with the City of Portland to create the video "COVID-19 Reopening Safety Guidance." The video is available in Amharic, Arabic, Burmese, Cantonese, Dari, Dzongkha, Farsi, French, Hindi, Hmong, Japanese, Karen, Khmer, Kinyarwanda, Korean, Lao, Mam, Mandarin, Mayan, Mixteco, Nepali, Palauan, Pashto, Punjabi, Purépecha, Romanian, Russian, Spanish, Swahili, Tagalog, Tamil, Thai, Tigrinya, Tongan, Ukranian, Vietnamese, and Zomi.

# EOC Section: Operations

The Operations section has several operational areas, each of which report on daily metrics. Weekly metrics are reported each Wednesday.

Resource Request Unit

The Resource Request Unit is a group of diverse subject matter experts that represent and advocate for the needs of the communities Multnomah County serves. The team allocates critical supplies and Personal Protective Equipment (PPE) to health and community organizations in order to prevent the spread of COVID-19. When allocating PPE, the Resource Request Unit prioritizes organizations experiencing an outbreak, organizations that perform life saving operations (hospitals, clinics, etc), and organizations that serve communities of color, people ages 65 and older, and people with underlying health conditions. These priorities are part of Multnomah County's commitment to dedicate resources to the populations most impacted by COVID-19.

Daily Metrics: The Resource Request Unit tracks how many requests for resources it receives over a 24-hour period ending at 12:00 pm each day. The chart below shows the number of daily requests over the past two weeks.

Resource Requests Received

Date	number of requests
Fri: 6/20	19
Mon: 6/22	20
Tues: 6/23	17
Wed: 6/24	19
Thurs: 6/25	34
Fri: 6/26	16
Sat: 6/27	9
Mon: 6/29	8
Thurs: 6/30	12
Wed: 7/1	17
Thurs: 7/2	27
Fri: 7/3	16

The Resource Request Unit operates Mondays-Saturdays.

Call Center

The EOC Call Center answers COVID-19 questions and concerns from community members who call the Multnomah County Health Department, and occasionally supports 211. The Call Center also helps community members sign up for COVID-19 testing events.

Call Center: Calls/Emails by Topic

legend: donations/volunteers, testing, general info

Values by day:
- Mon: 6/22 — 30
- Tues: 6/23 — 16
- Wed: 6/24 — 32
- Thurs: 6/25 — 40
- Fri: 6/26 — 42
- Mon: 6/29 — 53
- Tues: 6/30 — 34
- Wed: 7/1 — 43
- Thurs: 7/2 — 43
- Fri: 7/3 — 19

y-axis: number of contacts
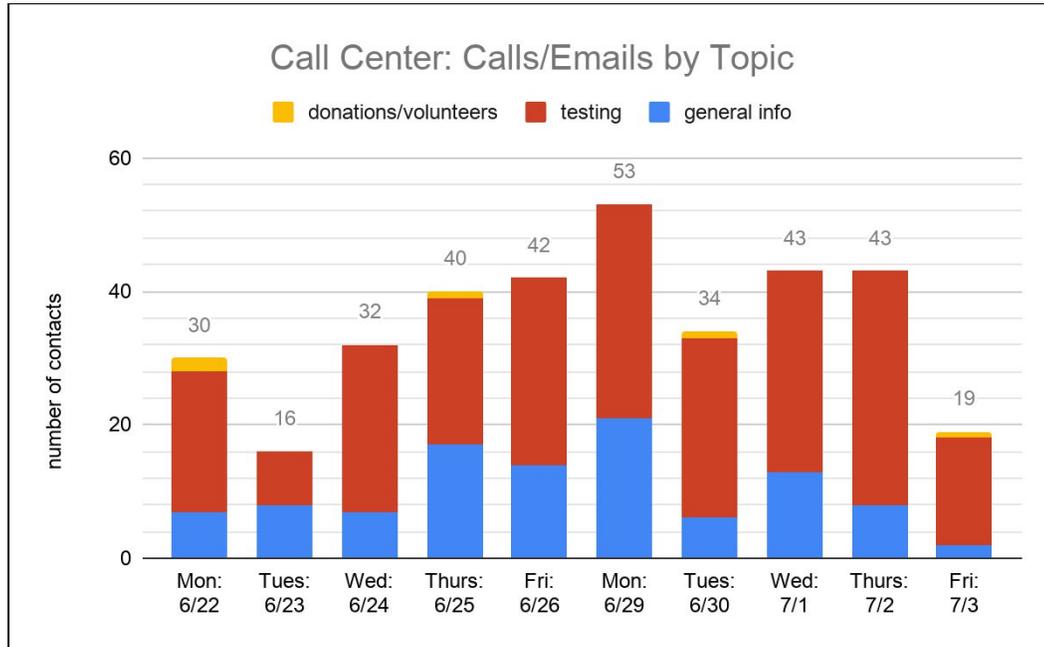

The Call Center is open Monday through Friday.

EOC Section: Mass Care and Shelter (Emergency Support Function 6)

Until July 1, Multnomah County operated three Physical Distancing Shelters and one Physical Distancing Motel, with a total capacity of **365 people**; as well as two **Isolation Support Motels** with a total capacity of **120 people**. Starting July 1, the County began a process of transitioning the Physical Distancing Motels to non-profit providers for long-term operations. On July 1st, Human Solutions, Inc., took over operations of the first Physical Distancing Motel. This week, the County is partnering with Transition Projects, Inc., to open the second Physical Distancing Motel in Northeast Portland. This motel will house adults and couples in 53 rooms. The county has contracts with two additional motels, for an additional 83 rooms, which will open during the month of July. These motels will be opened and operated by local nonprofit Do Good Multnomah. As these properties transition to non-profit management, they will no longer be reported in this Situation Report.

Although the total capacity of the County's system of Physical Distancing shelters remains the same, Multnomah County's **daily capacity at County-operated Physical Distancing Shelters** is now **315** beds. This capacity will continue to change as we transition more spaces to non-profit operations over the next month. The County is thankful for the partnership with nonprofit providers in this effort.

Daily Metrics: The Mass Care and Shelter Unit tracks how many people are housed in Physical Distancing Shelters and Motels, and in Isolation Support Motels each day. The charts below show the number of people housed for each day of the past two weeks.

Physical Distancing Shelters & Motels: People Housed

Date	Number housed
6/22	237
6/23	234
6/24	214
6/25	241
6/26	253
6/27	252
6/28	248
6/29	237
6/30	228
7/1	177
7/2	171
7/3	118
7/4	101
7/5	54

Notes: Physical Distancing Shelters & Motels data for 6/24, 6/27, 6/28, and 6/29 are estimates.
On July 1, 58 beds of Physical Distancing Shelter/Motel capacity transferred to a non-profit organization that will run the program as part of regular Joint Office of Homeless Services contracts and programming. This results in a lower capacity reported in the above graph, although the total shelter capacity in the County remains the same.

Isolation Support Motels: People Housed

Date	Number housed
6/22	26
6/23	26
6/24	26
6/25	27
6/26	30
6/27	27
6/28	31
6/29	33
6/30	31
7/1	35
7/2	31
7/3	28
7/4	27
7/5	25

EOC Section: Public Health and Medical (Emergency Support Function 8)

The Public Health and Medical Section works to reduce the spread of COVID-19 in Multnomah County, and to minimize the impacts of the disease on individuals and our community.

Epidemiology Data

This is a dynamic situation. Information and case counts are changing rapidly and the incident is ongoing.

COVID-19 cases and deaths in Multnomah County and in Oregon

There were **301 new confirmed and presumptive COVID-19 cases** reported in Oregon on July 5. Seventy-two of these new cases are in Multnomah County. Since the pandemic began, there have been a total of 2,490 confirmed and presumptive COVID-19 cases in Multnomah County and 10,242 cases in Oregon. Multnomah County cases make up 24% of the state's total. The chart below shows cases over the past week.

Note: Beginning on June 29, Oregon Health Authority (OHA) epidemiologists began using a new method for reporting daily cases. The new method assigns a date to each case when the case is first known to the state or to the local health department as confirmed or presumptive. Previously, the method was to subtract today's case counts from the previous day's count.
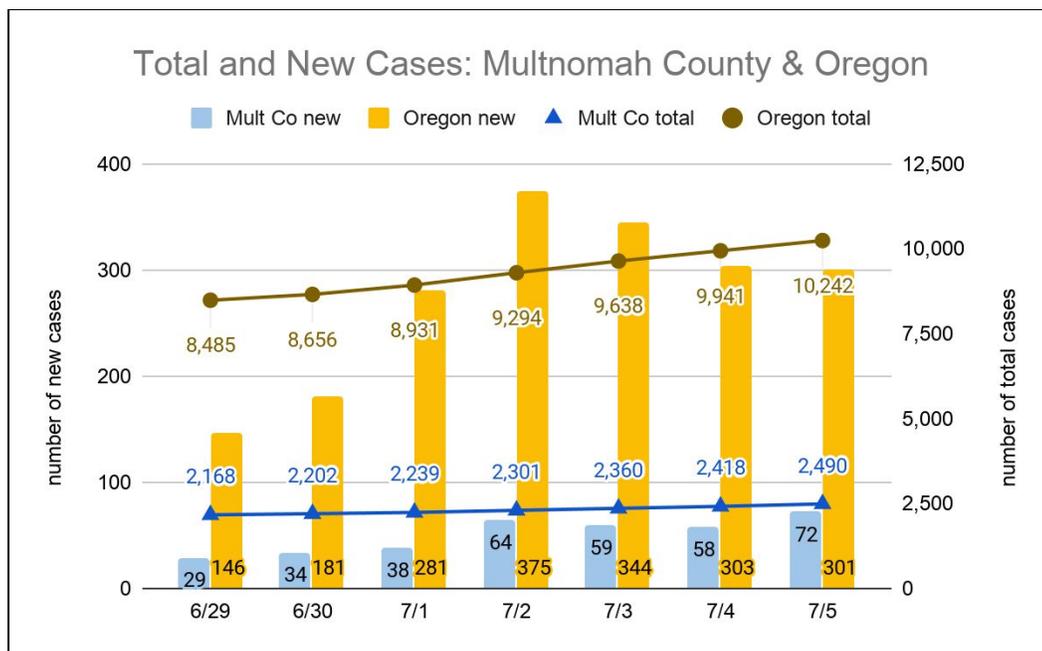

(Source: Oregon Health Authority)

There were **two new COVID-19 deaths in Oregon** reported on July 5. The most recent COVID-19 death in Multnomah County was reported on June 27. A total of 69 people are known to have died of COVID-19 in Multnomah County since the pandemic started, and there have been 215 known COVID-19 deaths in Oregon, statewide. Multnomah County deaths make up 32% of the state's total. The chart below shows deaths over the past week.
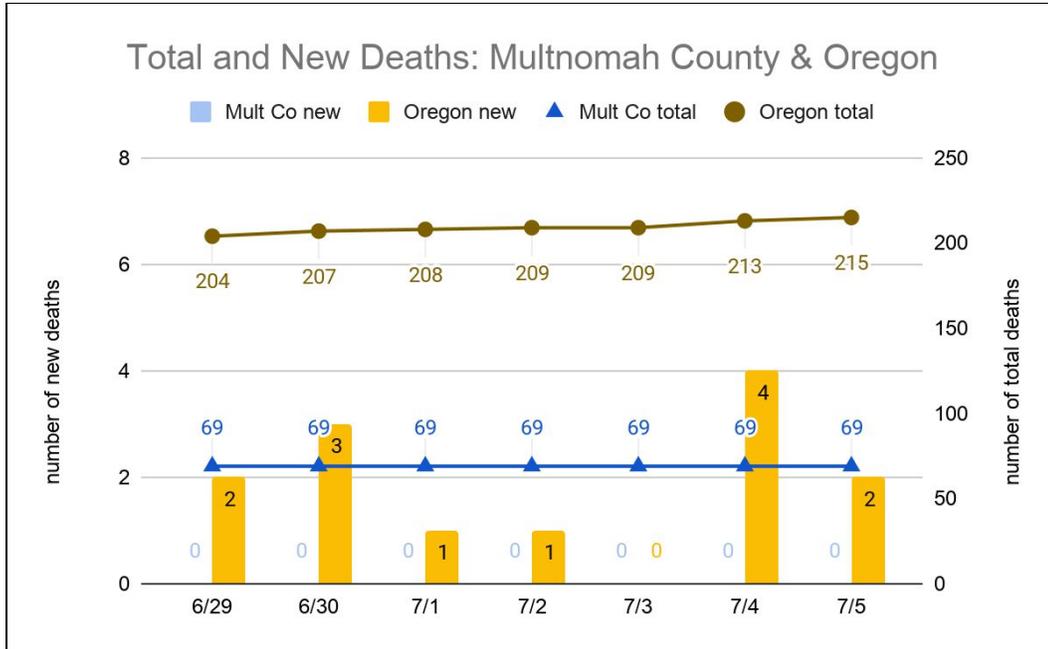

(Source: Oregon Health Authority)

National and global data about COVID-19 cases and deaths are tracked in the COVID-19 Dashboard, available through Johns Hopkins University's Coronavirus Resource Center.

Race and Ethnicity Impact in Multnomah County

Detailed local data, including demographics (race, sex, age, and housing status) are available in the Regional COVID-19 data dashboard hosted by Multnomah County. The dashboard also contains data on case counts, hospitalizations, symptoms and coexisting conditions, and testing. For statewide data on COVID-19 cases in Oregon by sex, age group, race, and ethnicity, consult the Oregon Health Authority's Demographics and Disease Severity dashboard.

The charts below show **the percentage of total cases, deaths, and hospitalizations by race and ethnicity (in gray)**, as of July 4, 2020. Each chart also shows **the proportion of Multnomah County's total population by race/ethnicity (in orange)**. Instances where the percentage of cases, deaths, and hospitalizations exceeds the proportion of Multnomah County's total population by race/ethnicity indicate the communities that are most impacted by health inequity from COVID-19. These differences may reflect the inequitable distribution of the risks of being exposed to COVID-19 and the opportunities to access medical care and COVID-19 testing.

EOC Section: Logistics

The Logistics Section supports the response actions of all other EOC sections. Logistics focuses on procedures for activating, dispatching, distributing, allocating, tracking, and deactivating resources needed for emergency and disaster operations from government, private, or volunteer sources. For Multnomah County's COVID-19 response, important Logistics functions include coordinating the donation of supplies, delivering resources to community partners, and coordinating volunteers.

Donations Unit

Multnomah County is seeking **home-made face covers** or **home-made cloth face coverings**, which should be unused and in good condition. Multnomah County is dedicated to ensuring that these scarce resources are distributed to Black, Indigenous, and People of Color communities. Across the country, these communities are statistically more likely to suffer grave outcomes of COVID-19 and are therefore, our donation priority. A multidisciplinary team of local municipal, county, and non-profit partners are working with community partners across the county to distribute these, and other supplies. Learn more about how you can donate or volunteer to slow the spread of COVID-19.

Resource Deliveries

The Logistics Section provides transportation for numerous response functions, including delivering supplies to community partners. The chart below shows the number of daily trips delivering resources

to community organizations, County-run physical distancing shelters and medical motels, and emergency outdoor shelters run by the City of Portland and Multnomah County's Joint Office of Homeless Services. The chart does not represent the quantity of supplies included in these deliveries, so a single delivery could include small or large quantities of resources.

Resource Deliveries: Daily Supply Deliveries
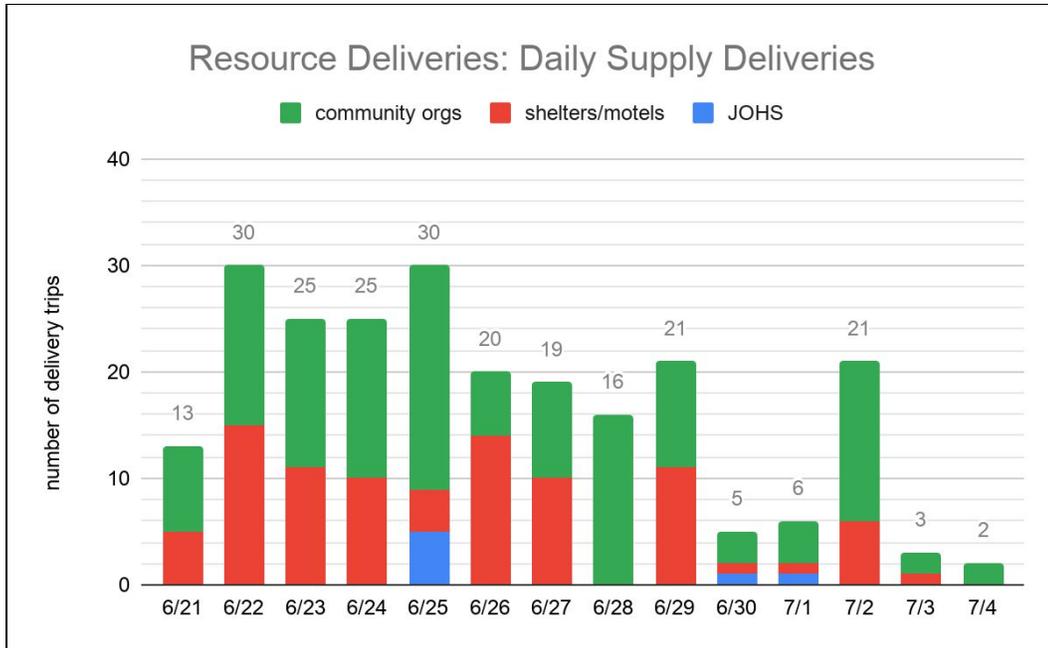

EOC Section: Community Liaisons

Liaisons with subject-matter expertise have been identified to support community organizations, businesses, and agencies and are meeting weekly. Liaisons are listed below and are available to members of their respective sectors. Requests for additional sectors to be created that are not covered by the established liaisons can be sent to the Liaison Group Supervisor. If you are interested in serving as a liaison, please contact the Liaison Unit Leader. Please note that the cost for non-County staff interested and able to fill vacant roles will be the responsibility of their organization.

Regularly Scheduled Liaison Calls

Contact the listed liaison for information on how to participate. Email addresses are also listed in a table below.

- Affordable Housing Liaisons hold a call **every other Monday 10:00-11:00 am**.
- Business Liaisons participate on the FEMA Regional Grocer calls **every Wednesday 11:00 am - 12:00 pm**.
- Culturally Specific Communities Liaisons hold weekly calls: a *Communities of Color* call **every Thursday 2:00-3:30 pm**; *Comunidad Latinx Respondiendo al COVID19* (call held in Spanish) **every Tuesday 11:00 am - 12:30 pm**; and support a weekly *Oregon Pacific Islander COVID-19 Emergency Response* call **every Friday 6:00-7:00 pm.**
- Fire Department Liaison joins a regular call with multiple departments, EMS services, 9-1-1 Bureau of Emergency Communications (BOEC), and Multnomah County **every Monday at 1:00 pm.**

- [Food Access Liaison](#) holds weekly calls on **Thursdays at 9:00 am**.
- The Oregon Health Authority continues to hold a call **twice a month** for migrant and farm workers, please email linda.s.swyers@state.or.us to join in.
- [Liaison Sector Leaders](#) have a meeting to share updates related to the EOC, public information, and activities **every Tuesday at 9:00 am**.
- [Law Enforcement Liaison](#) hosts a weekly Zoom meeting with Portland Police Bureau, Gresham Police Department, Oregon State Police, Multnomah County Sheriff's Office, Port of Portland and Oregon Department of Justice **every Tuesday at 3:00 pm.**
- [Licensed Residential Facilities Liaison](#) holds phone calls with providers **twice a week**.
- [Maternal Child Health Liaisons](#) have a call on the **second and fourth Tuesday of the month from 1:00-2:30 pm** to discuss issues of concern and potential responses, increase familiarity with the people involved and the work they do, and share resources.
- [Parks Liaison](#) holds a meeting with other parks jurisdictions in the county to share news and gather questions or themes from the group **every Wednesday at 1:00 pm**.
- [School & Childcare Liaison](#) holds calls with public K-12 schools **on Tuesdays at 1:00 pm**, calls with private K-12 schools **Wednesdays at 11:00 am,** and communicates with child care providers through email **regularly**.
- The [Youth Liaison Team](#) has a coordinating call, **Wednesdays from 3:00-4:00 pm**.

Community Liaison Team

The liaison unit comprises 47 liaisons who work in 27 sectors. These liaisons support community members by providing education and resources. They also listen to their members and elevate creative ideas and any questions to the EOC. **More than 8,100 people participate in the liaison program** and help spread accurate information throughout our community and beyond.

Local Updates

Media and Announcements

- On July 2, *Willamette Week* reported on the increasing COVID-19 caseload in Oregon. The article notes that the trend "[follows] a pattern that has played out elsewhere in the United States, Oregon is now seeing faster growth in cases in rural areas of the state."

211 Calls

- There were 79 calls to 211 on Sunday, July 5.
- The most common reason people called continued to be to ask about rent/mortgage assistance. Other frequent inquiries were about general testing information, number of cases, and rent/mortgage assistance.

(chart on next page)

Reason for Contact
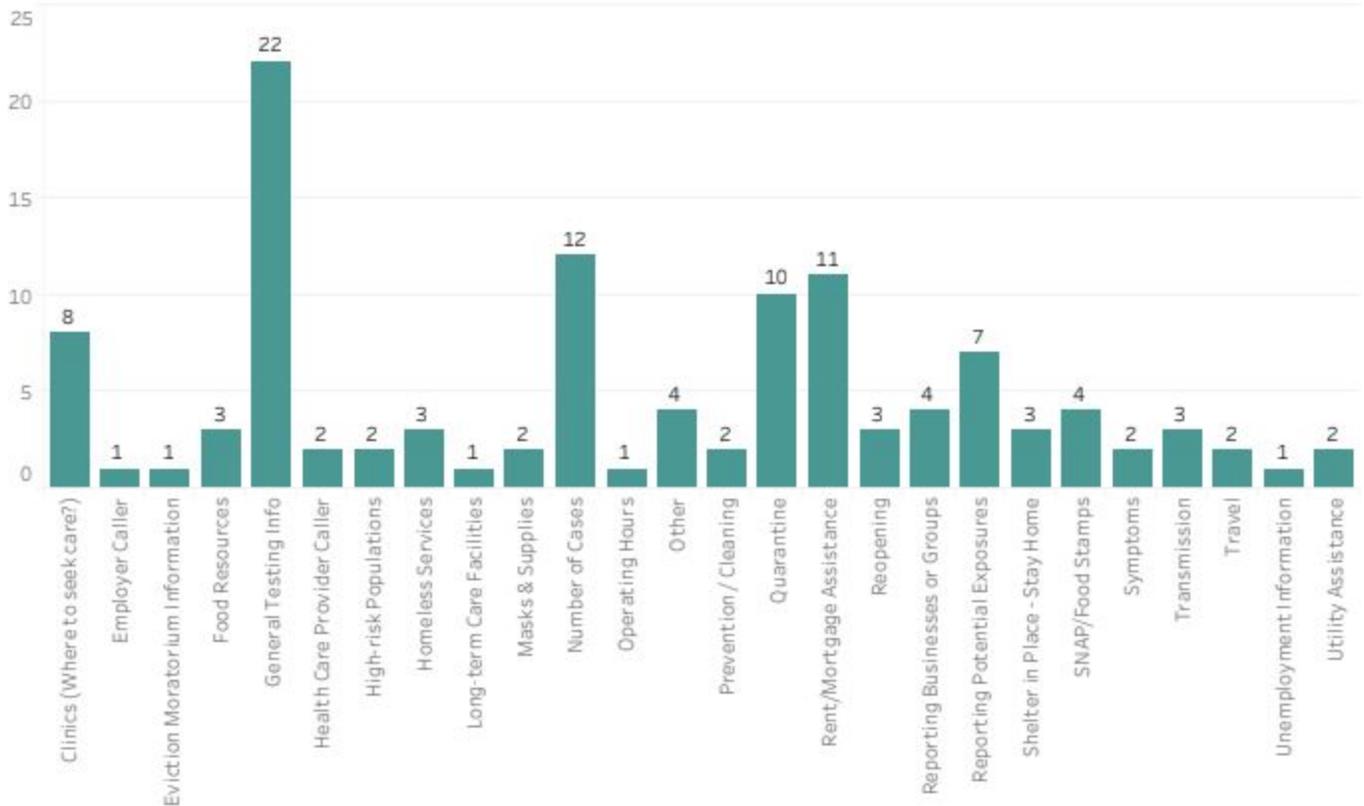

Data for July 5, 2020.

State of Oregon and Regional Updates

Media and Announcements

- On July 1, *Newsweek* reported, "The number of COVID-19 cases among children under the age of 10 in Oregon was more than five times greater at the end of June than it was one month earlier." This story was also covered by KPTV.
- On July 3, Governor Kate Brown's office issued a news release announcing the initiation of a COVID-19 Watch List, currently including eight counties: Jefferson, Lake, Lincoln, Malheur, Morrow, Umatilla, Union, and Wasco. The release notes, "Counties on the Watch List will be monitored in the coming days while the Oregon Health Authority and local officials deploy additional capacity to control the spread of the disease. If the counties do not see a downturn quickly, restrictive measures such as business closures or tighter gathering size limits will ensue." KOIN, KATU, and KDRV.com also reported on the story.

National and International Updates

Media and Announcements

- On July 3, the Centers for Disease Control posted guidance about quarantining, providing four sample scenarios of when to quarantine and for how long.

Stay Informed, Get Involved

COVID-19 Response

- **Local response**: the Multnomah County COVID-19 website is regularly updated with new information and guidance. Topics covered include:
    - Daily Living
    - Reopening & Guidance
    - Symptoms, Testing & Care
    - Outbreak Summary, including the Regional COVID-19 Data Dashboard
    - Get or Give Help During COVID-19
    - What's open — and what is closed — at MultCo during COVID-19
    - Discrimination, stigma and COVID-19
- **State response**: Oregon Health Authority COVID-19 website
- **National response**: CDC website

Media

For media inquiries related to COVID-19 please **contact Julie Sullivan-Springhetti**, Multnomah County Public Information Media Coordinator at: **503-502-2741**.

Check out our list of trusted sources for current national and regional COVID-19 information.

Volunteers
