Explanation of Revenues

Estimated licenses issued: Dogs - 50,000, Cats - 30,000, and Animal Facilities - 150. Estimated Animal Adoptions: 1,670.

In the General Fund, the \$1,913,000 revenue represents the cash transfer from the Animal Services Fund to the General Fund. It includes revenue from the sources described above plus fees collected for notices of infractions.

In FY 2018, Animal Services plans to roll out new fee structure. The program has completed a market analysis of the current fee structure and is prepared to bring a Resolution to the Board of County Commissioners to update fees identified in Chapter 13 of the County Code (last fee update July 2010). We estimate a revenue increase of \$350,000 for the County General Fund.
