Explanation of Revenues

Animal Fee revenue: 2,100 animals returned to owner x \$47.62 average = \$100,000. Animal Fee revenue: 1,000 animal licenses @ \$25 average = \$25,000 is a portion of the license fee revenue retained in the the restricted accounts, per County Resolution 2010-098. Revenues budgeted in this Program Offer are a combination of General Fund, and private donations and grants in Fund 1508. Private donations are projected to be \$145,000 in FY16.

Significant Program Changes

Last Year this program was: FY 2015: 91007 Animal Services Animal Care

In FY15, a one-time-only Program Offer was added to the Animal Care program which increased veterinary services to a 7-day-a-week service level. The one-time-only Program Offer added an additional veterinarian position and an additional Certified Veterinary Tech position. The key to our success in saving animal lives, and achieving high Live Release Rates, is a direct result of providing high quality veterinary services. Reductions in veterinary service levels will have an impact on the division's ability to sustain our life-saving efforts. Continuation of the 2nd veterinarian position is proposed in program offer 91007B.

In addition, this Program Offer adds 1.5 FTE Animal Care Aide positions within constraint.
