### Executive Summary

The Animal Care Program provides humane shelter and veterinary care 365 days/year for the lost, homeless, stray, injured, sick, abandoned, abused and neglected animals found in Multnomah County. The program reunites animals with their owners, adopts animals into new homes, provides animal behavior assessment services and provides comprehensive shelter medicine in our American Animal Hospital Association accredited veterinary hospital. The primary goal for Animal Care is saving animal lives.

### Program Summary

The Animal Care program delivers the following services:

- Provides a clean, comfortable, safe and healthy environment to house and care for all animals that enter the shelter
- Reunites animals with their owners
- Provides Lost/Found pet services
- Provides Pet Adoption services
- Provides shelter medicine and veterinary hospital services, which include veterinary health care and treatment for all shelter animals, spay/neuter surgeries for adopted animals, and subsidized veterinary services for low income pet owners
- Provides animal behavioral assessment and training services to determine adoption suitability or transfer to partner organizations
- Works directly with over 225 foster families who provide care and support to shelter animals in need of temporary respite care for behavioral or medical reasons

This program also works with over 50 professional animal welfare agencies to facilitate transfer of adoptable animals to their services as needed. Additionally, trained volunteers and foster pet parents assist in providing specialized animal care and help match potential adopters with the right pet. The keys to our success in saving animal lives is: providing humane care of all animals in the shelter; a strong, accessible pet adoption program; maintaining effective relationships with partner organizations; a commitment to progressive animal behavior services; and the provision of high standards of veterinary services.
