Significant Program Changes

Last Year this program was: FY 2019: 91013A-19 Road Services

1.50 FTE net increase results from changes in Road Engineering and Transportation Planning and Development. A transfer of 2.00 FTE (engineering staff) from the Bridge Services (program offer 91015) is included in this budget to support an aggressive road capital program. Road Services eliminated 1.50 FTE (Office Assistant Senior and Engineer 3) and were able to redistribute work to other existing positions inside Transportation. The completion of the Levee Ready Columbia work supporting Sauvie Island allowed a reassignment of a 1.00 FTE in the program offer 91014 into Road Services program offer to support requirements of the County's certification requirements with the Oregon Department of Transportation.
