

Legal / Contractual Obligation

Multnomah County must adopt a Comprehensive Plan that meets Statewide Planning Goals, including enacting implementing regulations as provided under ORS 92, 195, 196, 197, 215 and 390. The County regulates land uses in the National Scenic Area in accordance with federal law. These land use laws mandate the County review all development within its jurisdiction, prescribe extensive procedures the County must follow to ensure due process and set out a timeframe within which land use reviews must be completed. The County must update its codes to comply with new laws adopted each legislative session or when the Gorge Commission revises its rules. The County must appoint a Planning Director and employ staff necessary to carry out these responsibilities.
