Optional information:

I am looking forward to serving our community through my passion of soil and water conservation. The appreciation of organic growing methods on my family farm would be just one set of the broad experiences I will bring to the district. I have enjoyed working with a diverse groups of land stewards. I would be a fresh new voice in the EMCSWD, for this volunteer position.

If elected, I will promote projects and seek diverse partnership opportunities to:

- Keep our natural waters clean.
- Conserve our water resources.
- Maintain and promote soil health.
- Promote soil and water projects that benefit our underserved and disadvantaged communities.

A clean and healthy environment is a long legacy deserving our future generations. I'd love to be part of this exciting work.
