Candidate Statement

2020 General Election

Joe Demers

Occupation: Commercial Driver

Occupational Background: Customer service, customer relations, product distribution and management, automation.

Educational Background: General Studies, GED

Prior Governmental Experience: Inspirational

Law: We need candidates who believe the Constitution is the **supreme** law of the land and will abide by it's statutes and precepts. That agree with the traditional interpretation of it's language.

Order: Includes the law enforcement system that is not mutually exclusive to any walk of life, but is established based on evidence and investigation. Disagreeing with the delineation of criminal behavior based off of individual or group belief systems.

Gun rights: The original intent for owning firearms is ever more important against all enemies both foreign and domestic.

Taxes: Need to be quelled until the city spending can be balanced and the citizens of Gresham can recover from an economic shut down. No new taxes/fees.

Government: In the Gresham city council of government, "**We the people**", must be the rule. Our elected officials should not by force or coercion be persuaded to make decisions concerning all the citizens of Gresham by socialist revolutionary political threats. "**We the people**" = ALL of the citizens of Gresham, not an individual or group.

Back to work: Create incentive for blue collar workers to get back to work and support business that are up and running in the community. Driving supply and demand.

Vote Joe Demers who will bring back bone, common sense, and Constitutional thinking to stabilize Gresham.
