Optional Information (statement):
I'm honored to serve as your Mayor. Together, we are standing up to a President and others seeking division and disenfranchisement, we are addressing the economic and health impacts of a global pandemic, and we are dismantling systemic racism and inequity. I am inspired by voices calling for unity and focus on positive change and call on all of us to continue responding with solutions rooted in our progressive values.

With your vote I'll continue my record of leadership, building an inclusive, welcoming city for all.

Equity and Opportunity
Over the past three years we've helped companies create opportunities for underrepresented youth; changed city contracting to help minority owned businesses; demanded a Rose Quarter that aligns with Albina Vision goals. There is much more I am committed to do. Together, we can make Portland a place for all to thrive.

Public Safety
We've been implementing reforms to oversight, hiring, training, data collection, and transparency since the first year of the administration. Now, we are taking even bolder steps, re-envisioning how we approach community safety overall. Let's continue building trust and collaboration to keep all Portlanders safe.

Housing and Homelessness
We've more than doubled Portland's shelter capacity, and in 2019 helped 6,000 people off the streets and into housing. Over 800 new units of affordable housing are built and a record number underway. *We must continue tackling this crisis with addiction services, permanent supportive housing, and other proven solutions.*

**Climate Crisis**
We're working to transition Portland to 100% renewable energy by 2050, limit single-use plastics, and work with cities across the US and world to reduce transportation and building emissions. *We're not waiting for Salem or Washington, DC. Let's keep doing our part!*
