Explanation of Revenues

A handful of revenues make up the bulk of the General Fund. These include (in order of size) - property tax, business income taxes, and motor vehicle rental taxes. The property tax is the single largest revenue in the General Fund at approximately two-thirds of ongoing revenue. It is governed by state statute and its' growth is limited by two constitutional measures which have been approved by the Oregon electorate. An explanation of the limitations imposed by Measure 5 and Measure 47/50 can be found in the Summaries section of Volume 1 of the budget document.

A more complete discussion of the forecast and assumptions can be found on the Budget Office website.
