Executive Summary

The Misdemeanor Trial Unit (MTU) consists of 7 deputy district attorneys (DDAs), 9 interns, and 5 staff members. The MTU works collaboratively with the state courts and local law enforcement agencies to prosecute all misdemeanor crimes except those involving domestic violence. These misdemeanor crimes include offenses such as driving under the influence of intoxicants (DUII), resisting arrest, assault, sex abuse, theft, prostitution, stalking, trespass, strangulation and disorderly conduct. Cases handled by the Misdemeanor Trial Unit are either diverted to a specialty court program or they are set for trial.

Program Summary

Attorneys assigned to the Misdemeanor Trial Unit (MTU) prepare cases for trial and represent the State in misdemeanor jury and bench trials. Deputy district attorneys (DDAs) also appear in court on plea entries, sentencing, probation violation hearings, daily arraignments, release hearings, and restitution hearings. All cases sent to the MTU are presumed to be trials, and for this reason, DDAs have to verify all discovery obligations are met, extend pretrial plea offers to the defense, subpoena all necessary witnesses, prepare direct and cross-examination, assemble all evidence and confer with victims on all cases. MTU DDAs must review, research, and respond to all written motions as part of trial preparation. All cases involving officer-initiated contact or use of force are also double screened to promote greater equity in these areas of policing and prosecution. MTU DDAs also prepare and litigate the civil commitment of allegedly mentally ill persons.

Many misdemeanor cases resolve in one of the specialty courts staffed by the MTU. Most non-violent offenders qualify for Community Court where they can earn a reduction or dismissal of their charges through community service or by accessing social services such as alcohol treatment, drug treatment, and mental health services. With thousands of cases processed each year, Community Court offers a cost-effective collaboration between the courts, prosecution, and social service providers. A large number of misdemeanor cases involve allegations of DUII, and specialty DUII Diversion and Expedited DUII dockets are staffed by MTU DDAs each week. MTU DDAs also handled the alternative disposition of misdemeanor-level drug cases through our Treatment First diversionary program in FY 2021. Community Court, DUII Diversion, and Ex DUII Plea alternative resolutions are similarly available to defendants at the East County Courthouse, which is staffed daily by MTU DDAs. Data shows Black, Indigenous, and Persons of Color (BIPOC) are traditionally overrepresented within the criminal justice system in the arrest and prosecution of low-level drug, transportation, property, and public order offenses. MCDA and the MTU work to achieve greater equity through an ongoing commitment to alternative disposition for these types of offenses. Specifically, drug offenses, as well as most all misdemeanor property, public order, and transportation offenses are eligible for diversion and/or dismissal through Community Court.

Performance Measures

Measure Type	Primary Measure	FY20 Actual	FY21 Budgeted	FY21 Estimate	FY22 Offer
Output	Misdemeanor cases set for trial resolved	2,005	2,000	1,700	1,700
Outcome	Misdemeanor cases offered specialty court diversion	2,552	3,000	3,000	3,000

Performance Measures Descriptions

We have omitted the Output measurement of “Misdemeanor cases resolved with a trial.” The Output metric has been modified in this offer to more accurately reflect the work being done by the MTU as generally the same processes and case preparation occurs regardless of whether cases resolve via pre-trial plea or through full trial litigation.

Explanation of Revenues

Significant Program Changes

Last Year this program was: FY 2021: 15202A Misdemeanor Trial Unit

There have been significant program changes to the MTU during FY 2021 as a result of COVID-19 and the Oregon State Chief Justice Order halting the litigation of out-of-custody misdemeanor criminal trials. Without an ability to litigate misdemeanor trials, traditional plea and/or alternative disposition courts have sharply declined, resulting in significant caseload increases for all attorneys in the MTU. It is anticipated that FY 2022 will reflect a significant increase in misdemeanor cases resolved through the MTU because of these increased numbers of open and pending cases. Many alternative resolution courts have also been administratively setting over cases during FY 2021 due to COVID-19, which will result in heavier than usual dockets and greater numbers of cases flowing through these courts in FY 2022. Many hearings are being handled using WebEx or otherwise remotely during FY 2021. However, MTU attorneys still appear in-person to staff arraignment courts, probation violations, contested motions, and daily Criminal Procedure Court. Internal service charges are increased reflecting a change to allocate facilities, data, distribution, telecommunications, and fleet services in individual units. Previously these costs were consolidated in 15001 - Administrative Support Services, 15002 - Information Technology, and the Division I, II, III, and IV Administration program offers.
