Executive Summary

The goal of the Multnomah County Sheriff's Office (MCSO) Detective Unit is to provide highly trained detectives to investigate all serious person crimes; including those involving homicide, sexual assault, domestic violence, crimes against children, crimes against the elderly and vulnerable populations, and firearm-related crimes. Many of these cases are referred to this program through social service providers, patrol deputies, outside agencies, and from prosecutors.

Program Summary

MCSO Detectives investigate all person crimes that are not resolved by patrol deputies. The Detective Unit is responsible for responding to crime scenes, conducting preliminary and follow-up investigations, preparing the required investigative reports, apprehending the suspect, preparing the case for successful prosecution, and testifying in court. The detectives are also members of the East County Major Crimes Team, as well as other inter-agency teams which allows for collaboration of multiple resources and leverages personnel for more efficient and effective results.

The Detective Unit is versatile and is responsible for a wide range of investigative efforts. With changes to the statewide Department of Human Services (DHS) hotline reporting and case management, the Detective Unit receives and processes all DHS reports of alleged child abuse and neglect in order to ensure cases are cross-reported. Detectives receive specific training associated with child and family maltreatment, such as Making Equitable Space at the Table: The Importance of the Youth Advocate Role and The Intersection of Secondary Traumatic Stress with Culture, Race and Historical Trauma. The Detective Unit also has a dedicated detective to conduct follow-up investigations and provides services for victims impacted by domestic violence through the Domestic Violence Enhanced Response Team. This team utilizes a model of intervention that provides a coordinated, multi-disciplinary response to high-priority/high-risk domestic violence cases. When gun violence impacts east county communities, detectives engage in collaborative community outreach efforts and provide investigative resources with the goal of bringing awareness and reducing incidents involving firearms. The Detective Unit also registers approximately 450 sex offenders annually and conducts sex offender compliance missions, as Oregon law requires sex offenders to report in person to a law enforcement agency in the county where they reside.

Performance Measures Descriptions

Data from Law Enforcement Associates Data Technologies caseload database and RMS. There has been a dramatic increase in the number of serious person crime cases investigated by Detectives while over past years cutting FTE's to the program. Total cases are expected to be fewer as property crimes are no longer able to be assigned in the Detectives Unit based on the increase of serious person crimes; especially child abuse crimes.
