Performance Measures Descriptions

Maintaining an investment grade bond rating limits the amount the County might otherwise have to pay towards annual debt service. In 2017, Moody's and Standard & Poor's upgraded all Multnomah County full faith and credit debt to Aaa and AAA, respectively. (1)-indicates Moody's Aa1 (or better) rating, (0)-represents a rating lower than Aa1.

All principal and interest payments are made on time in order to maintain an investment grade rating on the bond issue. Multnomah County has never defaulted on a debt payment.

Legal / Contractual Obligation

Principal and interest on the full faith and credit obligations and intergovernmental agreements are a binding debt obligation of the County. All debt issues and refundings were approved by various resolutions adopted by the Board of County Commissioners.

Significant Program Changes

Last Year this program was: FY 2021: 10026 Capital Debt Retirement Fund

In January 2021, the County refunded a large portion of its FFC Series 2012 (Sellwood Bridge Project) bonds to take advantage of favorable market interest rates. The refunding will yield the County a net present value savings of approximately 11% (over \$10 million) over the remaining term of the bonds. Bonds fully mature in FY 2033.
