Executive Summary

A Home for Everyone (AHFE) has prioritized a range of effective housing placement and retention strategies in order to reduce homelessness among highly vulnerable adult households including seniors. AHFE holds achieving racial equity as a core goal, and eliminating disparate rates of homelessness on the basis of race and ethnicity must be a focus of programming. This program supports existing programming coordinated through AHFE, including rent assistance, housing placement and retention, and supportive services to provide stability for seniors experiencing or at risk of homelessness.

Program Summary

The 2019 Point-in-Time (PIT) count indicated a significant increase in the number of aging people experiencing homelessness with nearly one-quarter (939) of all those counted aged 55 and older. There was an 11.7% increase from 2017 in adults ages 55 to 69 experiencing homelessness on the night of the count. In addition, 77 of those counted were 70 and older, a 75% increase from 2017.

For the majority of seniors experiencing homelessness, returning to permanent housing requires a combination of rent assistance, housing placement, retention support staffing, and benefits acquisition assistance.

This program continues housing placement and retention strategies developed and coordinated through AHFE, specifically targeted to meet the permanent housing needs of seniors equitably. These targeted investments highly leverage other Federal, State and local resources including Medicaid, affordable housing units and permanent rental subsidies to support the needs of seniors experiencing homelessness. Services are delivered by a highly skilled nonprofit specialized in serving the senior population.
