Program Summary

The Business Services Division (BSD) supports the work of the Sheriff's Office Corrections and Law Enforcement divisions, as well as that of other County departments and other partners. While BSD includes a diverse mix of work units (detailed below), the overarching mission of the division is to inform, evaluate, and support the Sheriff's office to help it continuously improve.

BSD oversees the Fiscal Unit which is responsible for the professional stewardship of all funds allocated to MCSO. It also includes the Planning and Research Unit, which collects, analyzes, and reports key data that enables agency data-driven decision making. The Law Enforcement Records Unit archives and retrieves investigative information in support of a 24/7 enforcement effort throughout the year. The Criminal Justice Information System (CJIS) Unit provides technology support for MCSO, supporting technology solutions for over 3,000 users across a wide range of platforms. The Training Unit develops and delivers training to ensure compliance and certification requirements are met, and provides professional development training for MCSO's sworn and civilian employees. The Logistics Unit provides secure management of property and evidence and the agency's vehicle fleet.

BSD is committed to furthering diversity, equity, and inclusion at MCSO. BSD units lead the development and implementation of the agency's first equity-driven strategic plan. BSD also oversees the agency's wellness program which borrows heavily from the County's Workforce Equity Strategic Plan to help create an environment of safety, trust, and belonging.
