RE: AT&T New Site Build Program LOA

To Whom It May Concern:

Smartlink Group, its employees, and contractors (collectively referred to as “Smartlink”), are authorized representatives of AT&T and have been contracted to perform design, real estate, and permitting services for the development of AT&T wireless communication facilities. As a representative of AT&T, Smartlink is authorized to complete, sign, and submit land use and other permit applications, and provide representation at meetings and hearings related to these applications.

Sincerely,

Brian Gullen Digitally signed by Brian Gullen
