

Attention Kevin Cook,

I am writing you this letter to inform you that I give my full authorization to Rich Faith to receive and distribute to the Multnomah Co. Planning department information regarding my rezoning application with you. Rich will be serving as my representative in all areas of this process. I request if possible that all correspondences come both to Rich Faith and myself.

If you have any questions please feel free to reach out to me.

Sincerely,

Colleen Cahill
