RE: 14 Day Opportunity to Comment
12424 NW Springville Road, Portland
Case File T2-2021-14981

To Whom it May Concern,

We are neighbors of the Reed farm at 12424 NW Springville Road in Portland. We write this letter in support of their application to build a home on their property.

In Multnomah County, we face many challenges such as affordable housing, road maintenance, homelessness, rising crime, etc. We hope the County will approve this application quickly so it can focus on more pressing issues.

Sincerely,

RE: Application for dwelling at 12424 NW Springville Road, Portland 97229

My wife and I have lived across the street from the Reed's property for 17 years. After the Reed's purchased the property, we've watched it transformed from abandoned buildings and neglected farmland, into something special- thanks to Scott Reed. It is unfortunate and unfair that the city has taken so incredibly long to allow the Reed's to build a family home. Their children should be growing up on this beautiful property. We welcome the proposed home for their family as a great addition to our neighborhood.

We stand with the Reed's and their lovely prospective home.

Sincerely,

My family has farmed the land at 11525 NW Springville Road for over 50 years. The Reed farm is next door to our farm. The County should approve the application to let this family build a home on their farm.

Thank you,

Louie Beovich
