-----------------------------------	---	--

DECISIONS MADE

- **Meeting minutes were unanimously approved.**
- **ACSI approves to recommend the adoption of the Climate Justice Plan** to the Board of County Commissioners (BCC).
- **ACSI approves the Resilience Hub brief** with discussed changes.

WELCOME, INTRODUCTIONS

- **John** shared information on reductions to OS budgets and his efforts to support the team.
- **Jairaj** highlighted that the Environmental Health team is also navigating staffing changes due to the budget.
- **Briar** is working on PCC's climate action plan updates and green workforce planning.

- **Bridget** is the new intern with OS.
- **Annabelle** - Verde is gearing up for a campaign to defend keeping Portland Clean Energy Funds for their intended use.
- **Monique** - team moving along with CJP; the steering committee recently approved it to go to BCC for adoption.

CLIMATE JUSTICE PLAN - STAFF UPDATE

- **John** shared the process of the Climate Justice Plan and shared updates on the plan.
- The plan will be presented to the BCC on July 23..

ACSI RESILIENCE HUB BRIEF

- **Derron** led an exercise for ACSI to review the draft Resilience Brief.
- **ACSI members and Staff** discussed various edits that could strengthen the draft Resilience Brief.
- **ACSI members and Staff** discussed regulatory issues relevant to efforts to realize resilience hubs, including dockets and conversations on microgrids, HB 2021 compliance, wildfire management and preparation, and community-based renewable energy resources.
- **ACSI members** discussed the important role that the Brief will play in highlighting budget neutral actions that the County can take to support community efforts on resilience hubs. They discussed listing in the section on next steps the importance of exploring financing.
- **Derron** moved to approve the brief with the mentioned changes and additions of graphics. Maleek, Abby, Annabelle, and Briar voted in favor.

SUBCOMMITTEES

- **Silvia** shared updates from the Air Quality, Climate, and Energy subcommittee work in the last quarter.

NEXT STEPS

- Climate and Resilience subcommittee will finalize Resilience Brief and Staff will submit finalized versions to BCC.
