Explanation of Exceptions

Valid votes that have been marked by the voter outside the vote targets or using a marking device that cannot be read by the vote tally system shall not be included in making the determination whether the voting system has met the standard of acceptable performance for any precinct or ballot batch under ORS 254.529(7)(a) through (c) and are to be listed as exceptions.

Hand count Exception - Attorney General - Republican - Batch**AB-0327**

The exception in Batch AB-0327 occurred as a result of the tally room adjudication board and the hand count board making different determinations about whether the mark on the oval for Schmidt was a vote or a pen rest.
