-
- In a Zoom webinar, participants are generally in a "listen-and-view-only" mode unless specifically changed by a host, but may interact by using the raise hand feature or the chat feature to communicate with the host or panelists and other participants
 - For optimum effectiveness, before joining the meeting disconnect from VPN, restart your computer and close all applications not needed for the meeting (if you have the ability to hardwire your computer to the internet, this will also help to increase your bandwidth)
 - If you have not participated in a Zoom webinar before, please practice logging in before the meeting
 - You may join a meeting up to 15 minutes before the start time
 - If you are using your phone for audio or joining the meeting by phone, use *6 to mute/unmute or *9 to use the Raise hand feature (moderator will lower your hand)

NOTICE: Please note that **County staff will not admit third party AI note takers into County meetings.**

ZOOM service allows audio and other information sent during the session to be recorded, which may be discoverable in a legal matter. We will inform all meeting attendees prior to recording if we intend to record the meeting **(this meeting WILL NOT be recorded).**
