Alicia McCarthy is NOT a politician, and she would NOT label herself as an activist either. She is, however, someone who deeply cares about our community and everyone in it. She is a small business owner, a working professional, and a proud mother. Alicia recognizes a need in our local government for a voice of common sense. Portland needs a voice that can be sensitive and considerate of all arguments, but is dedicated to the health and development of our growing city. As a primary care physician she makes critical decisions daily and is ready to bring this experience to city government.

Portland has experienced incredible growth over the last ten years. Our population has increased with nearly 7,000 residents every year since 2010. During this exciting period of growth, we must focus on a "Back to Basics" approach to local government; in order to maintain a balanced society. Alicia is a common sense candidate that will focus on the fundamental needs that create a balanced and vibrant community for all.

Platform:

Government: Restructure local government to include a city manager and representatives from multiple districts.

Transportation: Lower carbon emissions through incentive and innovation **not** penalties.

Education: **"All In"** approach for our future generations.

Infrastructure: Invest in a robust infrastructure that will support a growing community.

Common sense candidate with a back to basics approach. Here to move Portland forward.
