CITY OF LAKE OSWEGO (JT)

Measure No: 3-548

Caption: BONDS FOR OPEN SPACE, PARKS AND RECREATION LAND AND FACILITIES

Question: Shall Lake Oswego issue \$30 million in bonds for open space or park land, and for park and recreation facilities? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary: This measure authorizes the City to issue up to \$30 million in bonds to acquire real property for open space or parks, or to renovate, replace or develop park and recreation facilities. Uses will be guided by the city's current and future parks and capital improvement plans. The bonds will be payable over a period of up to 20 years.

The bonds will be repaid from property taxes. The resulting tax rate is estimated to be not more than \$0.24 per \$1000 of assessed value. For a property with an assessed value (not real market value) of \$500,000, the annual cost would be \$120. This is the same rate as the current open space and parks bond portion of property taxes for three current bond series, which will be paid off over the next three years. It is expected that the newly-approved bonds will be issued in several series, allowing the open space and parks bond portion of city property tax rates to be maintained at no higher than the current rate.

Measure No: 3-549

Caption: CHARTER AMENDMENT REGARDING FREQUENCY OF THE CITY MANAGER'S BUDGET SUBMITTALS

Question: Shall the Lake Oswego Charter be amended to eliminate the requirement for the City Manager to submit annual proposed budgets?

Summary: Oregon Local Budget Law currently allows cities to adopt either one-year or two-year budgets. However, the duties of the City Manager listed in the Lake Oswego City Charter currently include, in Subsection 20.B.3, a requirement for the City Manager to "annually prepare and submit a proposed City budget for the ensuing fiscal year . . ."

Approval of this measure amends Subsection 20.B.3 of the Lake Oswego City Charter to require the City Manger to "prepare and submit proposed City budgets for budget periods specified by the City Council and authorized by state law . . .," instead of requiring annual budget submittals. This change would make the frequency of the City Manager's budget submittal duties under the Charter consistent with whatever budget periods may be chosen by the City Council under Oregon Local Budget Law: currently either annual or biennial budgets.

Contest Total: 2

Lake Oswego School District 7J

Measure No: 3-547

Caption: Five Year Local Option Levy for Teachers and Educational Programs

Question: Shall District expand, preserve programs, class sizes; levy \$1.64 per \$1000 assessed value for operations for five years beginning 2019-2020? This measure may cause property taxes to increase more than three percent.

Summary: The local option school levy was most recently renewed in 2013. It currently provides over 12% of Lake Oswego School District's annual operational funding. If approved, this levy would provide funds to preserve and expand current programs and operations, including:

- Preserve over 80 current teacher and other staff positions funded by the current levy.
- Maintain class sizes; increase individual instructional opportunities, enhance programs by hiring up to 20 additional teachers.
- Preserve and expand vocational, technical and STEM programs at all schools, including computer science education, to improve college and career readiness.
- Preserve and expand reading, early literacy, mental health support for all students.
- Fund enhanced safety and security on school campuses.

Spending would be subject to annual audits. This measure would supersede the current local option levy at a maximum rate of \$1.64 per \$1,000 of assessed value. The proposed rate is estimated to raise approximately \$13,000,000 in 2019-2020, \$13,390,000 in 2020-2021, \$13,790,000 in 2021-2022, \$14,200,000 in 2022-2023 and \$14,620,000 in 2023-2024, for a total of \$60,000,000 over five years.

Contest Total: 1

Tualatin Valley Fire and Rescue

Measure No: 34-286

Caption: Renews Local Option Levy for Fire and Emergency Medical Services

Question: Shall TVF&R renew an emergency services levy at \$0.45 per \$1,000 assessed value for five years, beginning FY 2020-2021? This measure renews current local option taxes.

Summary: Tualatin Valley Fire & Rescue (TVF&R) is seeking a levy renewal for 45 cents per \$1000 of assessed valuation, the same as TVF&R's existing rate. The current levy expires in June 2020. Levy renewals require voter approval. For a property assessed at \$300,000, about the average in TVF&R's service area, the cost of the levy would be approximately \$135 per year or about \$11.25 per month.

If the levy renewal does not pass, funding that currently supports at least 92 of 432 TVF&R firefighters and paramedics would be lost. TVF&R's firefighters and paramedics respond to emergency incidents like fires, heart attacks, car crashes, and rescue operations. Funding for other staff positions that support TVF&R's operations would also be lost.

If the levy passes, levy funds will maintain firefighter, paramedic, and support staff positions. Proceeds will also be used to purchase land for future fire stations, fire hose, firefighting tools, and medical equipment.

An estimate of the total amount of money to be raised for each year of the proposed levy renewal is:

FY 2020-2021: \$28,581,437

FY 2021-2022: \$29,864,743

FY 2022-2023: \$31,205,670

FY 2023-2024: \$32,606,805

FY 2024-2025: \$34,070,850

Contest Total: 1
