

Dear JPACT members, alternates and interested parties,

We want to let you know that the first public survey for the 2023 Regional Transportation Plan is live. The interactive survey is available in [English](#) and [Spanish](#) and in a downloadable text-only document on the project page: [www.oregonmetro.gov/rtp](http://www.oregonmetro.gov/rtp). The results of the survey will help to inform the priorities and goals in the 2023 Regional Transportation Plan.

**Please participate and share this with your networks.** There are sample social media posts in English and Spanish below to help get the word out. The survey will be available now through April 4, 2022. This survey is the first of many opportunities for people in the greater Portland region to help shape the 2023 Regional Transportation Plan.

**Background on the 2023 Regional Transportation Plan:** By 2045, more than 2 million people will be living in the greater Portland area. It is time to update the [Regional Transportation Plan](#)—the region's vision for the many ways people and businesses will move around now and for the next 25 years—by motor vehicle, bus and rail, biking, walking and more. Metro updates the Plan every five years to address the transportation needs of the people who live, work and travel in the region today, while preparing for our future transportation needs. The plan was last updated in 2018 and this update will be complete in 2023.

#### **Social media:**

Help shape the future of transportation in greater Portland! Metro wants to hear about your experiences getting where you need to go in greater Portland, what is most important to you and your hopes for the future. The interactive survey is available in [English](#) and [Spanish](#) and in a text-only document on the project page: [www.oregonmetro.gov/rtp](http://www.oregonmetro.gov/rtp)

Ayude a construir el futuro del transporte en la región de Portland! Metro quiere saber más sobre su experiencia movilizándose alrededor de Portland. Queremos saber qué es lo que es más importante para usted, y qué es lo que le gustaría ver en el futuro. La encuesta interactiva está disponible en [inglés](#) y en [español](#), así como en un documento sin imágenes en la página del proyecto: [www.oregonmetro.gov/rtp](http://www.oregonmetro.gov/rtp)

Thank you,

Stellan Roberts ([he/him](#))
