To support high quality educational programs that attract and incentivize families to reside in our neighborhood, Riverdale seeks to continue the local option which has been approved by district voters in 2000, 2005, 2010 and 2015, and maintain the current rate of \$1.37 per \$1,000 of Assessed Value. All local option monies go directly to the District.

Continuing the local option will generate approximately \$1,000,000 a year, representing about 10% of the budget. In addition to maintaining programs, these funds will provide a buffer from the vagaries of education funding given COVID-related economic contraction, PERS, and unfunded legislative mandates. Over the next five years, the local option will ensure a vital piece of the operating budget, providing for approximately 7-8 classroom teachers.

Riverdale's reputation for excellence contributes to a substantial elevation in resale values for neighborhood homes. Students from across the Portland metropolitan area are attracted to and enrich our school community, supplementing operating revenues by bringing in additional State School Funds or tuition dollars.

The \$1.37 rate remains lower than neighboring school districts and represents a continued investment in our Riverdale community.

The year 2020 presents challenges and issues never encountered before by the Riverdale School District. However, throughout recent months our dedicated parents, teachers and staff have remained committed to working meticulously through frequently changing directives so that Riverdale students can move forward and thrive. Only with unwavering community support and input has this been possible, not always with unanimity of agreement, but always unanimity of purpose: For the students!
