| | <p>Oregon Health Authority, rule changes might be advocated with legislature, if there is an issue/violation</p> <p>Gridworks conducted audit for Family Care & Health Share – Gridworks is monitoring. Questions remain about how data is transmitted, what the response to complaints has been, and the NEMT providers’ disability awareness and competency. Not a transparent process. Could we find models elsewhere to provide guidance?</p> <p>It would be good to hear from medical providers and their experience. Hospitals are hiring AMR to provide transportation home due to challenges.</p> <p>How does this relate to ADA compliance?</p> <p>Recommendation to have a community meeting on transportation 6 months from now.</p> |
| <p>New Members & Recruitment Updates (15 minutes): Joe/All - Michael Thurman, Robert Noche</p> | <p>Michael Thurman and Robert Noche voted in as members to DSAC. Both members serve on several committees, including the Ryan White Council, Cascade Aids Project, and Multnomah County Adult Mental Health Substance Advisory Committee, among others. Representing LGBT and people aging with HIV is important to aging and disabilities programming.</p> |
| <p>Elevator/ADA Issue (15 minutes): Grace</p> | <p>Issue: People using elevators being stranded in their buildings due to elevators breaking down. Tyson-Krump elevator company is responsible for most of downtown. Private contracting issue. ADVSD shares contacts at state regarding ADA compliance. Rebecca to find out if elevator issue is tracked in ADRC Helpline log. Grace to look at City of Portland and Portland Fire to determine who at City might be able to assist with this issue. Erin Grahek will work with ADRC Helpline to</p> |
