

## TRANSPORTATION PLANNING AND DEVELOPMENT REVIEW FORM

Multnomah County Road Rules govern the administration of roads under the jurisdiction of Multnomah County. These rules provide the link between the County Code provisions of MCC 29.500, *et seq.* and the Design and Construction Manual adopted under the provisions of these rules pursuant to MCC 29.571.

Submit a site plan illustrating the proposed or existing driveway information and a stormwater certificate if applicable. Once Multnomah County Transportation completes this form include it with your land use application along with the signed site plan.
