DATE: September 8, 2016  
TO: ALL COUNTY ELECTION OFFICIALS  
FROM: Brenda Bayes, Interim Elections Director *Brenda*  
SUBJECT: Official Ballot Statements for the General Election on November 8, 2016,  
Directive 2016-2

---

Enclosed you will find the following Official Ballot Statements. We have also enclosed a list of open offices for the 2016 General Election. Study this list to ensure you have every office on your ballot that applies to your county. These Statements will serve as a guide in preparing your county's ballot. The state Official Ballot Statements consist of:

1. Partisan Candidates
2. Nonpartisan Candidates
3. Measures

**The Secretary of State directs the following:**

BALLOT LABEL STYLE

The official General Election Ballot shall be styled as:

"Official Ballot" and state the name of your county and the date of the election.

See ORS 254.135 for further requirements.

BALLOT SPECIFICATIONS

All Official General Election ballots shall be printed in black ink on good quality material, pursuant to ORS 254.195(1). Ballots shall be printed on white paper.

## **BALLOT ARRANGEMENT**

The offices shall be arranged as follows:

1. **Federal Offices**
  - President
  - US Senator
  - US Representative
2. **State Offices**
  - Governor (2 year term)
  - Secretary of State
  - State Treasurer
  - Attorney General
3. **Legislative Office**
  - State Senator
  - State Representative
4. **County - if partisan**
5. **City - if partisan**
6. **Nonpartisan - the sequences for all nonpartisan offices shall be as follows:**
  - a. State judicial office of Supreme Court, Court of Appeals and Circuit Court, in the sequence shown on the enclosed Ballot Statement. These offices are listed in the following order:
    - i. Contested Circuit Court positions; and
    - ii. Uncontested Circuit Court positions.See ORS 254.125(2)(a).
  - b. District Attorney
  - c. County Judge
  - d. Nonpartisan County Candidates (*such as County Clerk, County Assessor, County Surveyor, County Treasurer, County Commissioner, Sheriff and Justice of the Peace*)
  - e. Nonpartisan City Candidates
  - f. Special District Candidates - if any
7. **Measures**
  - a. State
  - b. County
  - c. City
  - d. Multi-County Special District
  - e. Single County Special District

If for any reason you feel that the ballot arrangement as set forth will cause you undue administrative or printing problems, please contact this office for further advice.

## **NUMBERING SYSTEM**

1. **Candidates - Automated Tally Systems:** Unique candidate numbers are not required.

2. Measures: The number assigned to each local (county, city and district) measure must be preceded by a unique county prefix number (*i.e.*, Baker County is number 1, Benton is number 2, and so forth, numbered consecutively in alphabetical order until Yamhill County, which is number 36).

If a district or city is located in more than one county, the county elections officer who is the filing officer shall immediately certify the district or city measure and number to the county clerk of any other county in which the district or city is located. The same measure number shall be used in all counties in which the election is conducted for that measure.

#### RANDOM ORDERING OF CANDIDATE NAMES

The names of the candidate's shall be ordered as provided for in ORS 254.155. On August 30, 2016 this office sent a memo to all County Elections Officials giving the random ordering of the letters of the alphabet for candidates on the ballot for the November 8, 2016, General Election. The Ballot Statement for state candidates has been prepared by the Secretary of State using the random sequence.

The random ordering of the letters of the alphabet for which candidate's names will be placed on the ballot for the November 8, 2016, General Election is as follows:

1. D	6. W	11. T	16. N	21. L	26. Q
2. H	7. U	12. K	17. S	22. V	
3. R	8. F	13. C	18. X	23. M	
4. I	9. B	14. E	19. O	24. J	
5. Y	10. G	15. A	20. Z	25. P	

For candidates whose last names begin with the same letter(s) of the alphabet, or whose names are identical etc., follow the procedure contained in OAR 165-010-0090.

ORS 254.115(3) requires if two or more candidates for the same office have the same or similar surnames, the location of their places of residence shall be printed opposite their names to distinguish one from another.

#### PRINTING CANDIDATE NAMES

The names of candidates shall be printed on the official ballot as indicated in the Ballot Statement. Office titles, candidate names and political parties must be printed in **bold face, mixed case type** rather than in all upper case, for the purpose of better readability. Mixed case means the first letters of these names shall be upper case with the rest lower case (unless within the name and upper case letter is specified by the candidate, such as McVan).

We also advise that **candidate names must not contain any periods**, even after a Jr or Sr. For example, a candidate name should be formatted as Jonathan J Smith, Jr – with **no periods** (commas are allowable).

ORS 249.031 allows for a candidate to use a nickname in parentheses. ORS 254.145(2) provides that no title or designation may be included in the candidate's name (such as Dr, Mr, PhD, Senior Vice President, etc.). Designations such as Jr, Sr, III, IV, etc. are allowable if it is actually part of the name by which the candidate is commonly known.

In addition, ORS 248.360(2) and 254.135(2) provides that in the year when a President and Vice President of the United States are to be elected, the general election ballot shall state: *Electors of President and Vice President are being elected and a vote for the candidates for President and Vice President shall be a vote for the electors supporting those candidates.*

Note: If no candidate has filed for an office, the ballot must include "No Candidate Filed."

#### MULTIPLE PARTY NOMINATIONS:

Candidates may be nominated by multiple political parties and have up to three parties listed after their name as indicated in the Ballot Statement. ORS 254.135. If the candidate was nominated by the party they are a member of, that party will be listed first, followed by all other parties as specified by the candidate. If the candidate fails to specify which parties and in which order those parties should be listed on the ballot as follows: if the candidate was nominated by the party they are a member of, that party will be listed first, and the remaining parties shall be listed in alphabetical order.

#### JUDICIAL CANDIDATES "INCUMBENT" DESIGNATION

The information for state candidates for Supreme Court, Court of Appeals, Tax Court and Circuit Court positions shall include a designation of "Incumbent" for each candidate who is the regularly elected or appointed judge of the court to which the candidate seeks election ORS 254.135 (3)(c). The Ballot Statement provides this designation.

Please note that justice of the peace, county judges and municipal court candidates do not have the "incumbent" designation.

#### ***COUNTY NONPARTISAN CANDIDATES***

Review ORS 249.091 to determine if county nonpartisan candidates (Sheriff, County Treasurer or County Clerk, or candidates to fill a vacancy in a nonpartisan office) are required to be listed on the general election ballot.

#### LINES FOR CANDIDATE WRITE-IN VOTES

ORS 254.145 provides for the write-in of names in the appropriate place on the ballot. Allow one blank line for each position to be filled. Example: "Vote for Three." In this case, you will provide three blank lines following the list of candidates for that office. Blank lines shall not be numbered.

Offices that have been certified as "No Candidate Filed" must still appear on the ballot with the appropriate number of write-in lines. "No Candidate Filed" may be shown on what would have been the candidate name line.

#### BALLOT MEASURE FORMATTING

State ballot measures must be formatted as shown on the attached Ballot Measure Statement. The state ballot measure headers and the ballot title captions must be printed in **bold face, mixed case type** rather than in all upper case, for the purpose of better readability. Mixed case means the first letters of a phrase or sentence and only certain words within a sentence may be upper case with the rest lower case.

This directive applies to state ballot measures and does not require you to use the same formatting for local measures. However, we encourage consistent formatting, as this would ensure better readability for the voters.

If you have any questions, please contact our office.

**Result of "No" Vote:** "No" vote retains constitutional provisions requiring state judges to retire from judicial office after turning 75 years old, authorizing statutes establishing lesser mandatory retirement age.

**No**

**Summary:** Article VII (Amended), section 1a, of the Oregon Constitution, requires state judges to "retire from judicial office at the end of the calendar year" in which they turn 75 years old. Section 1a(1) authorizes laws that establish a lesser age—not younger than 70 years—for mandatory retirement. Measure amends constitution to remove provision requiring mandatory retirement at age 75, as well as provision authorizing statutes requiring mandatory retirement at age 70 or older. Measure retains constitutional provision that authorizes statutes permitting retired judges to be recalled to temporary active service. Measure retains constitutional provision that authorizes laws permitting or requiring judges to retire due to a physical or mental disability or any other cause that renders them incapable of performing their judicial duties.

**Estimate of Financial Impact:** There is no financial impact to state revenue or expenditures. There is no financial impact on local government revenue or expenditures.

**Measure 95**

**Amends Constitution: Allows investments in equities by public universities to reduce financial risk and increase investments to benefit students.**

**Result of "Yes" Vote:** "Yes" vote allows public universities to invest in equities to reduce financial risk and increase funds available to help students.

**Yes**

**Result of "No" Vote:** "No" vote prevents public universities from investing in equities.

**No**

**Summary:** This measure allows investments in equities by public universities to reduce financial risk and increase investments to benefit students. Additional investment income could benefit students by minimizing tuition increases and enhancing student programs.

**Estimate of Financial Impact:** This measure amends Article XI, section 6 of the Oregon Constitution to exempt public universities from a constitutional prohibition on ownership by the State of stock of any company, association, or corporation.

There is no financial effect on either state or local government expenditures or revenues required by the measure. The revenue and expenditure impact on public universities is dependent upon decisions by each university on the type and amount of private equity in which they choose (or choose not) to invest, and on the return on these investments.

**Measure 96**

**Amends Constitution: Dedicates 1.5% of state lottery net proceeds to funding support services for Oregon veterans**

**Result of "Yes" Vote:** "Yes" vote dedicates 1.5% of state lottery net proceeds to fund veterans' services, including assistance with employment, education, housing, and physical/mental health care.

**Yes**

**Result of "No" Vote:** "No" vote retains current list of authorized purposes for spending state lottery net proceeds; 1.5% dedication to fund veterans' services not required.

**No**

**Summary:** Amends Constitution, dedicates lottery funding for veterans' support services. Currently, constitution requires that state lottery proceeds be used to create jobs, further economic development, and finance public education; dedicates some net lottery proceeds as follows: 18% to finance education stability fund, 15% to finance state parks, restoration and protection of native fish and wildlife, watersheds, water quality and wildlife habitats, 15% to finance school capital matching fund. Measure dedicates 1.5% of lottery net proceeds to fund services for Oregon veterans. Veterans' services include assistance with employment, education, housing, physical/mental health care, addiction treatment, reintegration, access to government benefits, and other services for veterans, spouses and dependents. Other provisions.

**Estimate of Financial Impact:** This referral amends the Oregon Constitution to dedicate 1.5% of net proceeds from the State Lottery to be deposited in a veteran's services fund, to be created by the Legislature. The money in the veteran's services fund is to be expended on veterans' services, which may include: (1) reintegration, employment, education benefits and tuition, housing, physical and mental health care and addiction treatment programs; (2) assistance for veterans or their dependents to access state and federal benefits; or (3) funding for services provided by county veterans' services officers, campus veterans' service officer or nonprofit or tribal veterans' services officers. The referral defines a veteran as a resident of the State of Oregon who served in the Armed Forces of the United States.

Based on the June 2016 forecast from the Office of Economic Analysis 1.5% of net lottery proceeds for veterans' services would be approximately \$9.3 million annually for the 2017-19 biennium. This measure would not have an impact on the constitutionally dedicated amounts for the Educational Stability Fund or the Parks and Natural Resources Fund. The measure does not affect the overall amount of funds collected for or expended by state government. The measure would result in an expenditure shift of \$9.3 million annually, during the 2017-19 biennium, to the Veterans' Services Fund from economic development and public education expenditures.

**Measure 97**

**Increases corporate minimum tax when sales exceed \$25 million; funds education, healthcare, senior services**

**Result of “Yes” Vote:** “Yes” vote increases corporate minimum tax when sales exceed \$25 million; removes tax limit; exempts “benefit companies”; increased revenue funds education, healthcare, senior services. **Yes**

**Result of “No” Vote:** “No” vote retains existing corporate minimum tax rates based on Oregon sales; tax limited to \$100,000; revenue not dedicated to education, healthcare, senior services. **No**

**Summary:** Current law requires each corporation or affiliated group of corporations filing a federal tax return to pay annual minimum tax; amount of tax is determined by tax bracket corresponding to amount of corporation’s Oregon sales; corporations with sales of \$100 million or more pay \$100,000. Measure increases annual minimum tax on corporations with Oregon sales of more than \$25 million; imposes minimum tax of \$30,001 plus 2.5% of amount of sales above \$25 million; eliminates tax cap; benefit companies (business entities that create public benefit) taxed under current law. Applies to tax years beginning on/after January 1, 2017. Revenue from tax increase goes to: public education (early childhood through grade 12); healthcare; services for senior citizens.

**Estimate of Financial Impact:** The measure is anticipated to increase state revenues by \$548 million from January 1st to June 30th of 2017, and approximately \$3 billion for every year beginning July 1st after that.

The financial impact on state expenditures by program is indeterminate. The increased revenue will require increased expenditures by the state in the areas of public early childhood and kindergarten through grade 12 education, health care, and senior services, but the exact amount and the specific uses within the three identified programs cannot be determined.

Although there is no direct financial effect on local government expenditures or revenues, there is likely to be an indirect and indeterminate effect on the state economy and local government revenues and expenditures.

**Measure 98**

**Requires state funding for dropout-prevention, career and college readiness programs in Oregon high schools**

**Result of “Yes” Vote:** “Yes” vote requires state legislature to fund dropout-prevention, career and college readiness programs through grants to Oregon high schools; state monitors programs. **Yes**

**Result of “No” Vote:** “No” vote retains current law: legislature not required to commit funds to career-technical/college-level education/dropout-prevention programs, retains discretion to allocate funds. **No**

**Summary:** Currently, the Oregon legislature provides General Fund revenues to the State School Fund based on constitutionally required quality goals; those funds are distributed directly to school districts under a specified formula. Measure requires legislature to separately provide at least \$800 per high school student—adjusted upward annually for inflation/population—to a Department of Education (ODE) administered account. ODE distributes those funds to school districts to establish or expand high school programs providing career-technical education, college-level courses, and dropout-prevention strategies. School districts must apply for grants, meet specified requirements. Districts may use limited portion of fund for administration costs but not unrelated activities. ODE monitors school district performance, ensures compliance, facilitates programs; Secretary of State audits biannually. Other provisions.

**Estimate of Financial Impact:** The measure does not affect the aggregate amount of funds collected or expended by state or local government.

The measure does, however, commit a minimum increase of \$147 million annually to expenditures on career and technical education, accelerated learning and high school graduation improvement programs. This number could be lower if state revenues do not grow by \$1.5 billion in the 2017-2019 biennium.

Because the measure does not raise additional revenue, the measure specifically provides that the Legislature determine how these program expansions will be funded.

**Measure 99**

**Creates "Outdoor School Education Fund," continuously funded through Lottery, to provide outdoor school programs statewide**

**Result of "Yes" Vote:** "Yes" vote creates separate fund, financed through Oregon Lottery Economic Development Fund and administered by Oregon State University (OSU), to provide outdoor school programs statewide. **Yes**

**Result of "No" Vote:** "No" vote rejects creation of fund to provide outdoor school programs statewide; retains current law under which OSU administers outdoor school grants if funding available. **No**

**Summary:** Presently, Oregon does not fund outdoor school programs statewide, but, under current law, OSU assists school districts by awarding grants according to specified criteria and providing program maintenance, conditioned on funding. Measure creates separate "Outdoor School Education Fund" (Fund) that is financed by Oregon State Lottery money distributed for economic development. Caps annual distributions of Lottery revenues to Fund. Specifies Fund's purpose to provide every Oregon fifth- or sixth-grade student week-long outdoor school program or equivalent. Continuously appropriates Fund to OSU to administer and fund outdoor school programs statewide consistent with current law's grant program criteria; may require Fund dispersal outside of grant program. Allocations to Fund shall not reduce lottery proceeds dedicated under Oregon Constitution to education, parks, beaches, watersheds, fish, wildlife.

**Estimate of Financial Impact:** This measure amends Oregon Revised Statutes to dedicate a portion of lottery proceeds for a statewide outdoor school program. In 2015, the Oregon State Legislature established an Outdoor Education Account for the purpose of funding a six day, residential, hands-on outdoor school program or equivalent for fifth and sixth grade students across the state. The Legislature did not provide funding at that time. This measure would affect distributions from the Department of Administrative Services Economic Development Fund. It dedicates the lesser of the following two amounts to the Outdoor Education account: either four percent of the quarterly transfers to this fund or \$5.5 million quarterly, with a maximum of \$22 million each year.

The measure would result in an expenditure shift of \$22 million annually to the Outdoor Education Account from the Department of Administrative Services Economic Development Fund. The measure does not affect the overall amount of funds collected for or expended by state government. This measure would not have an impact on the constitutionally dedicated amounts for the Educational Stability Fund or the Parks and Natural Resources Fund.

**Measure 100**

**Prohibits purchase or sale of parts or products from certain wildlife species; exceptions; civil penalties**

**Result of "Yes" Vote:** "Yes" vote prohibits purchase/sale of parts/products from certain wildlife species; exceptions for specified activities, gift/inheritances, and certain antiques/musical instruments; civil penalties. **Yes**

**Result of "No" Vote:** Maintains current Oregon law which does not prohibit purchase or sale of parts or products from species not native to Oregon, except for shark fins. **No**

**Summary:** Existing Oregon law does not prohibit sale of wildlife parts/products for non native species, except shark fins. Existing federal law does not prohibit intrastate sales of wildlife parts, with exceptions. Measure amends ORS 498.022 to prohibit purchase, sale, or possession with intent to sell of parts/products from elephant, rhinoceros, whale, tiger, lion, leopard, cheetah, jaguar, pangolin, sea turtle, shark, ray. Imposes civil penalties. Creates exceptions: law enforcement activities; activities authorized by federal law; fish managed under federal plan; certain antiques (over 100 years old) and musical instruments with less than 200 grams of parts; noncommercial transfers through estates, trusts, gifts; possession by tribal members. Other exceptions. Fish and Wildlife Commission may adopt rules, including prohibiting purchase/sale of parts "closely" resembling listed species parts.

**Estimate of Financial Impact:** There is less than a \$100,000 financial effect on state government expenditures or revenues. There is no financial effect on local government expenditures or revenues.
