

Budget Amendment: Sponsorship Freeze

Introduced by Commissioner Meghan Moyer

In order to minimize job losses and maintain direct services to our community's most vulnerable populations, this amendment suspends all sponsorships originating from Multnomah County departments and offices for the duration of Fiscal Year 2026. Sponsorships of employee events are exempt.

Budget Impact: Estimate requested but amount was indeterminate. Savings will be realized at end of Fiscal Year 2026 and used for budget modifications or carry over.
