Dear Portland Neighbor,

A reactionary US president and an obstructionist minority in Oregon's legislature are blocking our federal and state governments from protecting our people and our environment. Over these four difficult years, I've helped Metro step up to fill that gap and protect our community's quality of life.

You've responded overwhelmingly by voting to protect our regional parks, trails and natural areas, and to build 3900 permanently affordable homes for 12,000 of our neighbors threatened with homelessness or already experiencing it.

Many of you are already working with me and the Metro team on a transportation strategy to get us around quicker, more safely and equitably, with less pollution and climate impact.

Now I'm asking you to approve Metro's homeless services measure. It will scale up existing programs *that are already working*, so we can help *more* people get indoors and into supportive housing, with the services they need to stay housed. It will be funded by a 1% tax on upper-income households and large businesses.

Let's keep working **Here Together** on real solutions for the challenges we face.

I ask you to re-elect me as your Metro councilor.

Thanks,
Bob
