I have spent the last year serving the City of Wood Village as a councilperson. I came to this seat when I saw a vacancy and felt called to help our community. I am quick-witted, even-keeled, intelligent and kind. These qualities encompass most of what the people of Wood Village want in their elected leaders... so here I am, running for the position formally this time.

Decisions at city council are based off of conversation and information provided from all of the different directions that we can obtain. I have an outstanding understanding of business operations and finance and being able to offer that view and expertise to our team is invaluable. We have an amazing balance right now and we all get along well and work and we have been successful at surviving the current pandemic and thriving in ways that benefit citizens.

My favorite council moments have included passing the Utility Relief fund to help any residents and businesses that are struggling during the closures to cover utilities for a month. I like being a part of the water/sewer rate conversations in an effort to ensure our lower-income families don't pay the lion's share of those utilities. I have really enjoyed seeing the City take environmental responsibilities and stewardship and not just follow in the neighboring cities but to lead the way and pay attention to each decision on how it impacts the environment.

I believe the next 4 years are going to be incredible for our city. The new city hall is the biggest and it will be a wonderful destination for all of us to enjoy. There are new developments going on all over Wood Village that will bring new faces and places and I want to help show these people the character and charm we have to offer. Vote Brian Loy for Councilperson.
