I've owned businesses, worked for major companies, and donated thousands of hours in public service. It gives me a different perspective on spending our tax dollars. It's OUR money, not THEIR money.

Portlanders need to know who represents them. With over 619,000 people, and growing, represented by a Mayor and 4 Council Members we don't know who to talk to about our concerns.

My first step as Mayor is to assign each council member a specific District to give voice to Portlanders. You will know who represents you. Downtown will be clean and safe.

As a former US Marine and Vietnam Veteran, I will work passionately to solve the Homeless Veteran issues of Portland and continue the work I have been doing on an individual basis. We will address Veteran Benefits, housing, mental health care and access to medical care for all Veterans.

As a small business owner I understand the struggles of businesses in Portland. I will address both sides of the issues, for business and employees.

The lack of adequate Representation has caused many of our problems.

We will listen to, connect with and inform our Seniors, Youths and Law Enforcement. We will know the concerns, fears, needs and desires of Portlanders. This is the City of Roses, the front door of Oregon.
