Re: West Multnomah Soil and Water Conservation District
Names to be placed on the November Ballot

The candidates' nominating petitions for district director of the West Multnomah Soil and Water Conservation District (SWCD) have been reviewed by our office and found to be correct to the best of our knowledge.

The following positions and candidates should be included on the General Election ballot for the election to be held November 7, 2006:

Position	Candidate's Name	Term
Zone 2	Jeff Joslin	2 years
Zone 4	Brian Wm. Lightcap	4 years
Zone 5	No candidate filed	4 years
At Large 2	Richard W. Sanders	4 years
At Large 2	William R. Goode	4 years

Please note that candidates nominated for district director from a specific zone, as well as the At Large candidates, shall be voted on by all electors within the district (ORS 568.560(1)).

After the 2006 General Election, please send the applicable Abstract of Votes to me at the mailing address noted on the letterhead. The department will notify the West Multnomah SWCD of the election results and will prepare the certificates of election.

Thank you for your assistance.

I certify the above information is correct.
