Troutdale is a hidden gem, and it is time for it to shine for all of East County.

We have good people, the gorge, a beautiful downtown, a world renowned sculptor, public art, a strong park system, an airport and industrial land available to create permanent, family-wage jobs for us and our children. We cannot let these resources stagnate.

I have a vision for the future of our town and together we can accomplish it.

Imagination Station: Rebuild it right away and allow residents and local businesses to help. Volunteers built it and want to restore it. We shouldn't stop them.

Job Creation: The City should support and promote new jobs in the industrial area around the airport, our downtown and the Urban Renewal District. We need these local jobs in order to prosper and our City services need the tax revenues that these developments deliver. Residents cannot shoulder this burden alone.

Public Safety: Our officers and firefighters risk their lives to protect us. I will fully support them and will make sure that our Sheriff's contract continues to provide the support and training they need to keep us safe.

Civility: In our public meetings, the public and elected officials will treat each other with dignity and respect. Disagreement shows healthy thinking, but our town has no time for accusations, rudeness, or smears. Our community is better than that.

We have big things to accomplish and I am committed to this vision for our future. I ask for your vote in this election. www.electcaseyryan.com
