I'm proud to have called Fairview my home for the past 18 years. I've raised my kids here, supported local business, built relationships, and engaged in community involvement through the Gresham Chamber of Commerce, Fairview on the Green, The East County Bite, and various school fundraising efforts. It is my goal to dedicate myself to being a bridge of collaboration for Fairview residents in our ever changing community and the public servants who work daily to provide the needs of their constituents. Together, we can do great things that benefit many while embracing the qualities that make Fairview a desirable place to live, play, raise a family, and retire. It's time for positive change. Your tax dollars matter and how these resources are spent to support your vision for our community is a priority.

Honesty, integrity, and transparency are qualities that represent my value system. It's time to develop a council that will work alongside one another to adequately address community needs: public safety, emergency response, economic development, environmental conscientiousness, recreational programs for youth, business growth and development, and regional collaborative efforts that improve fiscal outcomes.

I would be honored to represent you and make a difference for today's community members and generations to follow.
