- Representing the interests, needs and opinions of the community and stakeholder groups.
- Considering input and information from other interested parties and the general public.

CDAG members approached by interest groups other than their own constituencies are encouraged to share these conversations at CDAG meetings. For information contact Sarah Hurwitz, County Communications Office at sarah.hurwitz@multco.us.

The CDAG meeting is open to the public. A limited public comment period will be allotted during the meeting. For people who cannot attend the meeting in-person, they are welcome to submit comments in advance by sending them to burnsidebridge@multco.us. Comments received 24 hours in advance will be shared with committee members and summarized during the meeting.
