Hi everyone!!!

I am hoping to continue representing the community on the Centennial School Board. My main priority as a school board member is to provide a safe, inclusive, and engaging learning environment for our students. I hope that all our students can make positive decisions for their future once they move on from our district schools. I see myself as a voice of the community to the school district as well as a voice of the district to the community.

I have been a member of this community for six years and see it as an extended family. My daughter (student), my wife (teacher) and I are all proud members of this diverse community. Currently, I am the chair of the Budget committee, an active participant in the strategic planning process, and a member of Meadows PTO. Over the past 5 years, I have participated in multiple committees including the long-term facility planning (that lead to the school bond) and boundary review committees. As time allows, they even let me announce some football games! I enjoy being an active and involved with our community.

Together I hope we will have positive solutions to our challenges and celebrate our accomplishments.
