As a member of the Centennial budget committee, I know the breadth of programs in the Centennial School District that support student success at all grade levels.

As a charter school board member, I have hands-on experience working with strategic plans, policy, budgets, and relevant community input and feedback.

As a parent in the district, I have a vested interest in the success of our schools.

As we enter uncertainty with federal policy and funding, I will prioritize student success and well-being, working to maintain the diversity of district programs.

My priorities include:

- Remove barriers to school attendance, a proven metric for success.
- Support every student's well-being and inclusion.
- Promote equitable access to high-quality academics at all grade levels.
- Ensure that student and community voices are heard.

Why should you vote for me?

- I've shown my dedication to the district by serving on the budget committee, now in my third year, discussing priorities and reviewing the budget.
- When tough decisions need to be made, I will act with empathy, standing for all students and families in the district and valuing diverse perspectives and experience.
- I celebrate the diversity among our students and families in the Centennial School district. We all benefit from this fact. Our schools must be safe for students, regardless of race, gender identity, or immigration status.
- I will actively both solicit student and community voices from all over the district, from Rockwood to Pleasant Valley.

I look forward to serving the district, valuing our children and community.
