FROM: Central Community Budget Advisory Committee (CCBAC)

DATE: April 24, 2025

SUBJECT: Central Community Budget Advisory Committee Pro-forma

Statement:

This report is submitted to fulfill the requirements of Multnomah County Code §3.306 (B), which was updated on 2/13/2025 (effective 3/14/2025). The update provided a new requirement that our committee "approve a written report" to be shared "prior to any public departmental budget hearings." In our final report we will identify issues in the CBAC process and provide a final set of recommendations for improvements.
