CHANGING YOUR NAME AFTER MARRIAGE OR DOMESTIC PARTNERSHIP

Once the marriage ceremony has taken place and the marriage license has been returned to our office, or once the State Domestic Partnership has been registered with our office, then your name has changed to the name that you declared on the document. Now that your name has changed, you will need to update your name on all of your identification, accounts and important documents.

Example of agencies to change your name and documents to update are:

- Driver's license via the DMV
- Social Security Card via Social Security A
- Military
- Bank
- Passport
- Credit Cards
- Insurance
- Employer
- Mortgage Company
- Immigration
- Landlord
- Vehicle Registration via the DMV
- Etc.

Most of the above require a certified copy of your marriage record or domestic partnership registration to update and change information. Some agencies may retain a copy and others will hand it back to you.

You may purchase certified copies via our office, mail , or our website:

<https://www.multco.us/recording/marriage-licenses#getcopy>

Certified copies are \$7.75 for the first one, and \$4.00 for each additional certified copy purchased at the same time.
