David Douglas School District Budget Committee 2008 - present

I am a parent of two children, one a recent graduate of David Douglas and one a freshman this year at David Douglas. I believe that public education is valuable to my children and all of the children in our district, helping to put them on a path to becoming productive community members for the rest of their lives. Successfully engaging all students in our district is important for our community to thrive in the future.

I currently serve the community as a School Board member in position #3. These past 3.5 years have been a learning experience, one that has given me a skill set that I will use for the students, families, and staff of our school district. The experience I have gained helps the district get the work done that is needed, and can provide insight when things get difficult.

I have watched as not only state funding has been cut to education, but federal grant money schools has also decreased and is likely to decrease even more in upcoming years. Our school board is going to be called upon to help guide the district through declining income while putting policies in place to improve our student's educational attainment and graduation rate. I have good problem solving skills and want to be part of the team that helps David Douglas students excel.

In order to do this I ask for your vote.
