Application Questions

- Why are you interested in joining the Community Involvement Committee? What perspective, experience, or skills do you hope to bring to the group?
- Describe a time you were part of a group working towards a common goal. What were your contributions and how did you grow with that experience?
- What has been difficult for you when working in groups where including all voices, working together across differences, and equity are critical values? How have you addressed those challenges?
- The Community Involvement Committee is committed to reducing barriers to participation for communities that have been typically underrepresented in the County decision-making. Describe your experiences with local historically marginalized and underrepresented communities.
- In your opinion, what are the top three barriers to civic participation and community involvement in county decision-making?
- Please state any potential conflicts of interest you may have related to any county department, if applicable. Eg. If you are an employee or a board member for an organization that receives county funding and/or has contracts with the County.
- Please provide us with a summary of your work and volunteer experience (written response or attach a resume).
- How did you learn about this opportunity?
- Is there anything else you'd like us to know?
