The 2025 Oregon Legislature

State Budget Overview

- **December economic & revenue forecast:**
 - New state economist and new adjustments to ongoing forecast model
 - Newly -adjusted model projects more general fund resources for current and next biennial
- **Reserves:** Projected \$5.7 billion in reserves at the end of 23-25 biennium
- **Kicker projections:** \$1.8 billion for personal

State Legislative Session Priorities

Multnomah County

Promote Community Safety & Justice

Advocate for full funding to implement important justice reforms in an equitable and efficient manner to ensure access to justice, treatment, and reform.

- Seek full funding for Community Corrections and Specialty Courts.
- Secure funding for the implementation of HB 4002 and deflection programs.
- Support efforts to continue to address the shortage of public defenders.
- Support efforts to increase efficiency and effectiveness in the state medical examiners program.
- Invest in outreach, violence prevention, and intervention services for youth in East Multnomah County.

2025 State Legislative Session Priorities

City of Portland

Community Safety & Behavioral Health

- Secure funding for ongoing implementation of HB 4002 (2024) and deflection programs
- Expand access to behavioral health services
- Ensure DPSST has the resources to quickly move new recruits through basic police training
- Seek stable funding for gun violence prevention programs
- Secure the authority for local governments to regulate firearms in public buildings
- Address safety risks at the Critical Energy Infrastructure Hub by advocating for more public education, additional safety requirements at the hub, and a new statewide plan for Oregon's fuel storage and distribution systems that moves facilities out of hazardous locations
- Support efforts to tamp down the proliferation of illicit massage parlors
- Increase availability of forensic investigative resources
- Support ongoing work to address neighborhood safety concerns associated with bottle and can returns while preserving access to recycling
- Support continued work to rebuild and augment Oregon's public defense system
- Increase the forensic investigative resources available.
