CJP Workplan Update

- Canceling August SC meeting
- Staff will take the potential strategies and make them more specific and actionable.
- Writing the draft plan and developing a clear timeline on feedback from the SC.
- Reconvene SC Meeting #10 in late September
- Community engagement activities such as in person meetings & developing an online survey for internal partners.
- Slightly adjusted the universal goal language
- Today we are creating potential strategies for the last 3 universal goals.

List of potential strategies created – [google sheet here](#)

Convened breakout group activity for universal goals:

1. Every community member has safe, healthy, and affordable housing.
2. Every community member is resilient to extreme weather events and other climate threats.
3. Every community member has access to the resources and conditions that promote health and well being.

Next steps

- Community engagement - CJP workshops
- Staff work on refining proposed strategies & actions
