Corbett is home. I have great respect for my school board colleagues. I appreciate the knowledge of the history of the CSD board decisions that our long-time retiring board member has provided over the years. The history of the board in the days from when I was in Corbett High School and folks were moving their kids out of district for a better education and what they did to make the CSD education and school experience better. The history of how CSD needed to start a charter school and the time leading up to getting it started etc. I was elected to the school board about the time the first charter experiment happened. It was great in some aspects but was a disaster in other ways. I was able to use past info gained along with what I witnessed, to help make the current charter agreement better. My hope is to continue on the board and be the person to provide history of board decisions, discussions, reasons why, and reasons why not.

I want our Corbett kids to have the best education and school experience they can have, and they should be safe and in safe buildings. The students should be surrounded by staff that doesn't push agendas and parents should know what's going on with their kids. There should be no board members that have spouses working for CSD or are a member of the teacher's union. I appreciate the Corbett community support. I also appreciate the support my wife and 2 sons provide. Sometimes being a school board member and a volunteer coach is not easy on them. If re-elected, I will continue to do what's right for the Corbett community and students attending the district. Vote for Todd Mickalson to keep CSD moving in the right direction.
