I've been a district resident for 11 years. Before moving to Corbett, I served in the Army, stationed at Fort Sill. My wife, Catherine, is a Corbett K-12 graduate and teaches at the Grade School where our 4th-grader attends.

I have observed and experienced the severe impacts of the ongoing budget crisis on the school. It has significantly decreased the resources available to our student population and created tension within the school community.

Throughout this situation, there should have been **better oversight, decision making, internal controls, and attention to detail**. I'm confident I have the skills needed and it's time to put my money where my mouth is and step up to put **student success first**.

As a Planning Supervisor at Tillamook Creamery, **budgeting is a crucial part of my role**. Cheese and school district finances are a bit unrelated, but I am **well versed at working on budgets, recognizing trends over time, and preventing unnecessary deficits**.

Here's how I will support students:

- Utilize my extensive experience with budgets and reconciling to **restore and maintain the district's financial health**.
- Oversee spending and reductions in the district to ensure **fair and informed decisions** are made.
- Advocate for expanded student offerings in CTE, athletics, and extracurriculars while maintaining a variety of AP opportunities to **promote student growth**.
- Foster and maintain **safe learning environments for all**.
- **Be a champion for students with disabilities**, ensuring they receive the services currently lacking due to insufficient funding.

As a director on the school board, I aim to prioritize student success with careful oversight and attention to detail, ensuring **sustainable success** for the entire district and community I am privileged to call home.

I appreciate your time and consideration in voting for me to serve the students at Corbett and put student success first.
