I am running for school board because I care deeply about the Corbett community and the students and staff in our schools. **As a parent with two children in the district**, it's been a joy for my family to call this community home for nearly a decade.

I'm also running because the current leadership has severely mismanaged our district's finances. Over the past four years, the district's end-of-year funds dropped from a positive balance of \$2.2 million (2021) to a deficit of \$219,000 (2024). The financial crisis reached a breaking point this past fall, forcing the district to take out an emergency \$2 million loan, lay off ten staff members, reduce student services, and implement furloughs to stabilize the budget.

The district needs new leadership and I have the experience and temperament to contribute. My goal is to serve the community I care deeply about and offer my skills during this challenging time for the Corbett School District.

What I bring:

- **15+ years of experience as an educator** at Portland State University
- **20+ years of innovation and leadership** across organizations
- **Strong background in finances**, budgeting, strategic planning, and community engagement
- Deep connections with **teachers, staff, students, and families**
- **Weekly volunteer experience in my children's classrooms**
- **Involvement in Corbett athletics** coaching with Corbett Youth Sports

This hands-on experience gives me a clear understanding of our district's needs and the skills to effectively address them.

Commitments as a board member:

- **Listen with respect and engage with all the perspectives** of the Corbett community
- **Stabilize the district** and rebuild **excellence** post-budget crisis
- **Ensure teachers and staff have necessary resources to succeed**
- Foster a sense of **belonging for every student**
- Provide students with **opportunities and resources to thrive**

Thank you for considering my candidacy!
