I have a proven record of advocating for student needs and, along with other concerned parents, directly impacted an increase in dedicated funding for mental health services in our schools.

**As a member of the CSD Board of Directors I will:**

- Support district practices through Superintendent evaluations, policy discussions and future hiring decisions that prioritize:
  - **A culture of student safety and well-being**
  - **Inclusion and belonging**
  - **Fiscal responsibility**
  - **Sustainable class sizes**
  - **Mental health support**
  - **Educational excellence**
  
- Call on my extensive professional background in facilities development and budgeting to:
  - **Drive the new middle school to completion and put those bond dollars to work!**
  - **Continue to develop and maintain safe spaces for our students to learn and play.**
  
- Interact openly and transparently with community members, board members and CSD stakeholders to make informed and confident decisions that will serve CSD students for years to come.

The success of CSD is a collaborative effort between our teachers and staff, involved parents and amazing students and student athletes that have shown such resilience and adaptability over the past several years, despite unprecedented challenges. As a Corbett resident and parent of a Corbett student and athlete, I look forward to supporting all of us as we look forward to the future! Go Cards!
